

SENATE ORDERS TREATY PRINTED

BORAH FORCES ACTION AFTER 5 HOUR FIGHT

Pact Leak Probe Gets Under Way—Hearings Public

(By The Associated Press)
WASHINGTON, June 9.—Out of a whirlwind of developments the senate today got a copy of the peace treaty and, after a five hour fight, ordered it printed in the public record. At the same time it got under way the investigation of how copies have reached private hands in New York by summoning to testify a half dozen of the country's leading financiers. The copy which went into the record was brought to this country by a newspaperman and was presented by Senator Borah, Republican of Idaho, just after the reading of a cablegram from President Wilson saying he could not, without breaking faith send to the senate the text of the treaty.

Action Widens Breach.
The effect of the day's history making developments was to clear the air on the much debated treaty text, to widen the breach between the president and the senate majority and to forecast a sensational turn for the inquiry into the manner by which copies of the document have become available to unauthorized persons.

Starting its investigation with an unexpected visitor, the foreign relations committee within a half hour after it convened voted to call before it J. P. Morgan, H. P. Davidson and Thomas F. Lamont, all of the Morgan Banking House Jacob Schiff of Kuhn, Loeb & Co., and Paul Warburg, formerly connected with the same concern; and Frank A. Vanderlip, former president of the National City Bank. It then examined Frank L. Polk, acting secretary of state about the official copies in the state department vaults. Statements also were made to the committee by Senator Lodge, Republican of Massachusetts and Senator Borah, similar to their declarations in senate that they knew of copies in New York but could not divulge the names of their informants.

Limits in Silence.
When read, the senate listened in silence to President Wilson's cablegram, which was taken as forecasting a refusal to comply with the request for the treaty text embodied in a resolution adopted Friday.

The reading of this message concluded, Senator Borah immediately presented his copy of the treaty which was ordered printed by a vote of 47 to 24. Later, however, there was a motion to reconsider and a parliamentary tangle developed which endangered publication of the treaty. To circumvent such a possibility the Idaho senator in the late afternoon began reading the hundred thousand word document and continued for an hour, despite many protests from the president's supporters.

Then the effort to prevent publication collapsed, the motion to reconsider was voted down and the fight which had developed many bitter charges of broken faith and in some respects had written a new chapter in senate history, was over.

Opening Open to Public.
The first of the day's series of surprises came when the foreign relations committee, whose proceedings in years past have been surrounded by the closest secrecy, threw open its doors to the public. It developed then that instead of pursuing the usual method of appointing a subcommittee to make the inquiry the full body proposed to participate and to begin forthwith.

Senator Borah was called upon first to amplify his statements in the senate about treaty copies in New York. He said that early in March he became convinced the international bankers of New York were particularly interested in creation of the league of nations and that he quietly began an investigation.

"I ascertained," he told the committee, "that practically all the international bankers were deeply interested in the league and were assisting in promoting its adoption by this country. I became convinced, too, that these gentlemen were interested in promotion of the league for private reasons.

SAY ELECTRICAL WORKERS WILL STRIKE MONDAY

Cleveland Union Men Say Order Came From Springfield

(By The Associated Press)
BULLETIN
SPRINGFIELD, Ill., June 9.—The general walkout of telephone workers involving operators, maintenance and construction men scheduled to occur June 16, remains effective, except in localities where satisfactory adjustment between employees and employers will have been made before that date. Charles P. Ford, international secretary of the Electrical Workers, said here tonight.

CLEVELAND, June 9.—A nationwide strike of telephone workers, involving operators and maintenance, construction and repairmen was called today effective next Monday morning, according to C. S. Siskman, local business agent, and J. H. Groves, financial secretary of the electrical workers union. It was announced the orders were received from the international headquarters at Springfield, Ill.

The strike was precipitated by the strike of the commercial telegraphers' union of America, called for Wednesday, it was said. The telephone employees demands are similar to those of the telegraphers—recognition of the union, the right to bargain collectively and abandonment of discrimination in discharging men. The strike was authorized by a national referendum of electrical workers completed May 11, in which it was stated union members voted about twelve to one in favor of striking.

The orders to strike were mailed from Springfield yesterday and were signed by James P. Noonan, Ford, secretary of the International Electrical Workers' Union. All telephone employees are urged to strike June 16.

ALLIED PACKERS WILL BENEW FIRM TITLE

CHICAGO, June 9.—The new packing company headed by John A. Hawkinson, formerly vice president of Wilson & Co., which has taken over a number of independent packing plants in various parts of the United States and Canada, will be known as the Allied Packers, incorporated, it was announced here tonight.

F. S. Snyder, formerly head of the meat division of the United States Food Administration and Albert W. Schenk of Wheeling, W. Va., will be vice presidents, the announcement said. The company will have distributing agencies thruout England and Europe and will make a special feature of export business. The following companies have been acquired the statement continued.

Parker, Webb & Co., Detroit; C. K. Link Packing Co., Buffalo, N. Y.; F. Schenk Sons & Co., Wheeling, W. Va.; Batschelder & Snyder, Boston; W. S. Forbes & Co., Richmond, Va.; Macon Packing Co., Macon, Ga., and five plants in Canada.

Negotiations are in progress with several additional companies.

PRACTICE GUERRILLA WARFARE IN IRELAND

PARIS, June 9.—Guerrilla warfare of a character "which usually precedes a major conflict" is now going on in Ireland, it is declared by Frank P. Walsh, and Edward F. Dunne in a supplementary report which they have forwarded to President Wilson regarding conditions in Ireland.

Messrs. Walsh and Dunne delegates of Irish societies in the United States affirm in this addition to their report submitted to President Wilson last week that clashes between Irish volunteers and the army forces in Ireland, in which men on both sides are killed, are of daily occurrence.

REDUCE FUND

Washington, June 9.—Reduction of four hundred and fifty million dollars in the \$1,200,000,000 revolving fund asked for by the railroad administration for the remainder of the calendar year was made today by the house appropriations committee.

UPHOLD DECREES

Washington, June 9.—Illinois supreme court decrees sustaining conviction of Earl Dear, who is under sentence of death for the murder of Rudolph Wolf, in Chicago, were upheld today by the supreme court, which dismissed appeals brought by Dear.

Lift Embargo On Exports Of Gold Coin

(By The Associated Press)
WASHINGTON, June 9.—To hasten return to normal economic conditions and restore the American dollar to a parity in several foreign countries the control exercised by the government over transactions in foreign exchange and the exportation of gold coin, bullion and currency was terminated today by President Wilson acting on recommendation of the federal reserve board.

Exceptions made by the president included importation or exportation of ruble notes or exchange operations with that part of Russia now under the control of the Bolshevik government and exchange transactions with territories in respect of which such transactions are at present permitted only thru the American relief administration. Attention also was called by the board to the fact that termination of control did not authorize transactions with enemies except so far as such transactions may be authorized by general or special licenses granted by the war trade board.

Licenses Required.
Licenses to export coin, bullion or currency will be required, but will be granted, freely, by the war trade board "irrespective of destination or amount." The board's statement said. Applications must however, continue to be made to the federal reserve board until such time as the president shall by proclamation formally bring to an end the present control, instituted when the United States entered the war. Removal of the embargo on exportation of gold will enable foreign nations to obtain metal needed to strengthen their economic position said the board adding that anything that tends to restore the economic power of foreign countries will make more secure prosperity in this country.

Government credits to the allies virtually are exhausted the an announcement said, so that a flow of gold to this country may be expected soon tending to advance existing high prices. This will be offset however, by the outward movement of gold.

"A very considerable" movement abroad could be made without danger, it was said, because of the great reserves accumulated since 1914, amounting to one-third of the world's supply.

One important effect expected is the restoration of the American dollar to a parity in exchange with South American countries, particularly Colombia and Venezuela where it has been at a discount of 20 per cent.

"FLY COPS" ON GUARD IN NEW YORK CITY
NEW YORK, June 9.—All important public buildings in New York as well as residences of prominent citizens and public officials who might be targets of terrorists were today placed under guard of three hundred policemen wearing civilian clothes. Police officials and federal agents refused to comment on the extraordinary precautions taken to prevent further bomb outrages as occurred June 2. Police headquarters and city hall were among the places which were placed under the protection of special police details, while clubs, churches and the homes of men prominent in business and financial circles were similarly guarded.

TRAIN HITS AUTO; SIX PEOPLE DEAD
CHICAGO, June 9.—Six persons, two men, one woman, and three children, were instantly killed today when a Chicago, Burlington and Quincy passenger train struck their automobile at a crossing in Berwyn, a suburb. The dead finally were identified as: William Eick, Hadley, Mich.; William F. Steinberg, Gary, Ind.; Mrs. William Weigand, Berwyn, Ill.

Mrs. Weigand's three children, William, Ray and Cora. The party was going to a cemetery to decorate the grave of Steinberg's wife.

COURT LIMITS NUMBER OF PICKETS

CLEVELAND, O., June 9.—By an order issued today in United States district court number of pickets permitted to work at the plant of the Willys-Overland Company when work is resumed tomorrow after a tieup of several days on account of a strike, is limited to 150.

According to the order not more than fifty can be on duty at one time, with a maximum of six to be stationed at one gate, and all must be citizens of the United States.

The court ruled that in the event of disorder attributable to pickets, the right of picketing will be abolished altogether.

MAKES TRIAL FLIGHT

St. Johns, N. F., June 9.—The Vickers which has entered in the London Daily Mail \$50,000 transatlantic flight competition made a trial flight here today. The machine, piloted by Captain "Jack" Alcock took the air at 5:47 p. m. local time, and descended 40 minutes later after a highly successful test.

SAVOIE DOCKS

New York, June 9.—The transatlantic Savoie with 418 casuals on board arrived here today.

Demand Early Return Army From Europe

(By The Associated Press)
WASHINGTON, June 9.—Early return from Europe of merican troops was demanded by Democratic and Republican members of the house today during general debate on the \$310,000,000 army appropriation bill.

Various means were suggested for bringing this about, but the method which gained the greatest support provide for an even strength than that made by the military committee which reduced to 400,000 the 500,000 figure asked for by Secretary Baker. Representative LaGuardia, Republican of New York announced that he would offer an amendment reducing the number of 300,000 saying that the war department would have no trouble in reaching this average for the year if it did not have money available which "its fingers itched to spend."

"General March," he added, "has declared that average would not fall below 500,000 men, but General March may not be right. People say he is very capable but to me he appears to be as autistic as Lundendorff and as much of a military genius as the crown prince."

General debate on the measure was closed today with the agreement that it would be taken up for amendment Wednesday. The \$310,000,000 railroad appropriation bill having the right of way on the floor tomorrow.

Assembly To Vote on Suff. Measure Today

(By The Associated Press)
SPRINGFIELD, Ill., June 9.—First business of the general assembly tomorrow morning will be a vote on the federal suffrage amendment. Certified copies of the amendment were presented to both houses late today, together with a special message by Governor Lowden urging ratification and special orders of business were entered in both houses.

Postponement of a vote today was due to lack of a quorum. Mrs. Grace Vibert Trout, president of the Illinois Equal Suffrage association and a delegation of suffrage leaders were in the galleries when the amendment and the governor's message were read. The women applauded heartily.

Referring to his endorsement of all suffrage for women in his inaugural address, Governor Lowden said in his message:

"Your Honorable body has already taken action granting suffrage to women insofar as that should be done under our constitution and the constitution of the United States. You now have the opportunity of helping to complete the work you have begun. I recommend the prompt ratification of the nineteenth amendment to the constitution of the United States."

A resolution was introduced in the upper branch by Senator Richard J. Barr of Joliet and the House by Representative Randolph Boyd of Galva, proposing ratification of the federal amendment, and motion to postpone action until tomorrow morning was made by these members. Members of the suffragist delegation, in addition to Mrs. Trout, were Mrs. J. W. McGraw of Chicago; Mrs. Elma D. Roseberry, Forest, Mrs. E. B. Cooley and Mrs. M. W. Thompson, Danville; Mrs. Frank P. Bloomington; Mrs. O. P. Bourland, Pontiac; Mrs. Howard T. Wilson, Virden, and Mrs. George Soden, Chicago.

Mrs. Trout, forecast tonight that the ratification resolution "will go over big."

The house which convened at four p. m., advanced a large number of bills and struck a score from the calendar.

In the senate, measures intended to adjust tax rates to the Glackin bill increasing the bonding power of cities made their appearance and were advanced to second reading. There were in addition to some thirty odd bills of this kind on third reading.

Governor Lowden announced tonight that W. F. Dodd, former secretary of the legislature reference bureau who resigned to serve in a military capacity, will be placed in charge of the special bureau to collect data for the coming constitutional convention.

The governor this afternoon signed the bill appropriating

WHEAT CROP PROMISES TO BE LARGEST GROWN

(By The Associated Press)
WASHINGTON, June 9.—Bumper crops are growing thruout the country but plant diseases already have done some damage and threaten to curtail the production somewhat. The largest crop ever grown aggregating 1,236,000,000 bushels of winter and spring wheat combined was forecast in today's monthly report of the department of agriculture.

This represents practically one-third of the world's wheat crop this year. In previous years the United States has grown about one-fifth. Big crops of oats, barley, rye, hay, apples and peaches also are in prospect.

Red rust made its appearance during May in the principal wheat producing sections and the infection is spreading. It caused damage to the extent of about seven million bushels to winter wheat and experts are unable to determine how extensive the damage will be by the time that crop is harvested.

Summary of Conditions.
A summary of conditions issued by the department said:

"The winter wheat crop, extraordinary in its high condition of 100.5 per cent at the beginning of May, while still showing the high condition of 94.9 per cent of normal, and promising the record breaking production of 892,822,000 bushels, exhibits by no means the brilliant, almost ideal, condition that was afforded a month ago. The principal cause of decline and one carrying the threat of still greater damage is the appearance of red rust in practically all of the central states west of the Mississippi river and extending eastward thru the states south of the Ohio river into and thru the Piedmont regions of the Atlantic coast states as far as Maryland. From Nebraska to central Texas this infection is very general. The damage will be light in Texas. Doubt exists as to the harm, if any, likely to result in Oklahoma, where the leaves are destroyed over large areas but the heads are filled and many authorities contend the crop will show little harm. In Kansas and Nebraska wheat is well advanced toward maturity but the rust infection is exceptionally heavy and the extent of loss to be expected entirely problematical. The decline in the last week in May was very marked in those states, especially in Kansas.

Report Some Smut.
"Some smut is reported but not serious from scattered points in Maryland, Indiana, Illinois, Missouri and Kansas. The presence is confined to the serious disease Takeall in a few counties in Illinois.

"Insect damage is light, the Hessian fly being reported only from a few counties in Indiana and Illinois, the joint worm from scattered localities, principally in Missouri and the army worm in Oklahoma.

"Conditions in the northeastern quarter of the country remain very high, Ohio especially showing a condition of 100 per cent of normal, and thru practically all this region bumper yields are promised.

"The spring wheat crop shows an increase of eight-tenths of one per cent in the area sown. The late spring and abundant rainfall interfered with planting as large an acreage as had been intended. The condition is good in the principal producing states."

Details of other crops follow: Oats: production forecast 1,446,000,000; acreage 42,355,000; condition 93.2. Barley: production 232,000,000; acreage 8,899,000; condition 91.7. Rye: production 107,000,000; condition 93.5. Hay: production 116,000,000; condition 94.1. Apples: production 166,000,000 bushels; condition 67.8. Peaches: production 50,300,000 bushels; condition 73.1. Pastures: condition 97.4.

\$10,000 for the expense of the work.

Administration bills abolishing the state board of equalization and creating a tax commission which have passed the senate, were advanced to third reading in the house today. Final vote is expected early this week.

An amendment adopted this afternoon would create a fiscal supervisor at \$4,000 a year.

An attempt was made to have a session of the house tonight, but it failed for want of a quorum.

Labor Leaders Disapprove Radical Ideas

(By The Associated Press)
ATLANTIC CITY, N. J., June 9.—Delegates representing more than three million American working men and women at the opening session of the American Federation of Labor here today, put the stamp of their disapproval on the ideas of radical agitators and prepared to deal with reconstruction problems of vital importance to organized labor. Opportunity to show their lack of sympathy with the efforts of radicals came during an address by Governor Runyon of New Jersey. Referring to a meeting in New York last night the governor asserted that "these men threaten that unless things are settled their way chaos will result."

He said and then declared: "I know that American labor, and this convention, fraught as it is with such potential consequences, have no sympathy with any ideas that are not constructive. I know you are out of harmony with destruction creeds. You think along sane lines."

A burst of applause from the floor quickly swelled to a roar. Samuel Gompers, president of the American Federation of Labor, sounded the keynote of the convention when he said organized labor was determined political or industrial tyranny should have no place in America.

Mr. Gompers said organized labor was making no unjust demands and that workers having shed their blood and made sacrifices to win the war had no intention of losing sight of the principles, rights and ideals for which they had fought.

The annual report of the executive council of the federation containing broad outlines of organized labor's constructive program, was submitted to the delegates for their consideration at the close of Mr. Gompers' address. Recommendations for a forty-four hour week and a firm declaration that existing wages must not be reduced, and in fact in many cases should be increased are included in the salient points.

Among other resolutions were that organized labor take a definite stand favoring public and semi-public ownership of utilities; development of waterways and water power, regulation of land ownership, increased activity in politics, prohibition of child labor, freedom of expression and association, workmen's compensation, restriction of immigration, tax adjustments, elimination of private employment agencies, and recognition of school teachers to organize.

It further is set forth in the report which will be discussed during the convention that if occasion should arise to expand public funds to relieve unemployment the building of wholesome homes would be serving the public interest.

VILLA TROOPS SOUTH OF JUAREZ

JUAREZ, Mexico, June 9.—Military information was received here today that 300 Villa troops had reached Samalayuca, thirty miles south of Juarez, following concentration Sunday of upwards of 2,000 forces at Villa Ahumada under General Felipe Angeles and Martin Lopez.

Troops Not Uneasy.
El Paso, Texas, June 9.—It was reported here late today that General M. M. Murrieta, collector of customs at Juarez had removed the official funds of his office to El Paso and also had sent his family across the international bridge.

FIND OFFICERS NOT GUILTY
New York, June 9.—Captain Adolph C. Petersen and his son, Adolph E. were acquitted by a federal jury today of the charge of causing the death of Axel Hansen, a sailor on the bark Puako, of which they were officers. The jury was out six minutes.

WEATHER

Illinois—Partly cloudy Tuesday and Wednesday with scattered thundershowers; somewhat cooler Tuesday in north and central portions.

COUNCIL HAS SUBJECT UNDER CONSIDERATION

(By The Associated Press)
Huns Must Prove Worthiness by Contriteness

Germany the feeling prevails in peace conference circles that there will be no likelihood of a coalition between that country and Russia, which in the future might be the source of trouble and that with Germany inside the league she could be kept more tractable than outside it.

The council of four also is busy engaged in going over the reports of the commissions which have been examining into the counter-proposals Germany offered to the peace treaty.

While all the commissions have not yet reported to the council, it is felt in Paris that late in the present week it will be possible to hand the Germans at Versailles the final word of the allied and associated powers, constituting an irreducible minimum of concessions. It is said that five days after the presentation of the reply of the allies the Germans must give notice as to whether they propose to sign the peace treaty.

Considerable fighting continues between the factions in Russia, apparently with varying results. Hostilities are also in progress between the Hungarians and Czechoslovaks, but these are likely soon to end under a threat by Premier Clemenceau to use allied troops against the Hungarians if they do not cease their activities.

Germany has been formed in Germany to bring to the bar of justice persons accused of having fomented the war, lengthened its period and of being the cause of Germany's defeat.

Paris, June 9.—The movement to admit Germany to the league of nations is due mainly to the desire to avoid the possibility of the formation of another group composed of rival powers, which would embrace Germany, Russia and the old Teutonic group. Evidence has reached the leaders of late that influences are at work in Germany and Russia to establish relations as a basis for a combination of powers not in the league. While not regarded as imminent it was felt that the danger of such combination is always present while Germany is outside the league and the admission of Germany therefore was recommended as a means of subjecting her to the same obligations as the allies under the league of nations. This sentiment was chiefly instrumental in the unanimous decision of the British, French, American and Italian members of the league committee concerning the conditions on which Germany may be admitted. One of the chief authorities said today:

"We can deal with Germany better when inside than outside the league. Outside she would be able to go her own way; inside she must conform to the same obligations as the allies."

The covenant originally foresaw Germany's admission on giving "effective guarantees of her sincere intention to observe her obligations."

The regulations now submitted to the council of four define the effective guarantees, namely the establishment of a stable government.

The league covenant also made it conditional of Germany's entrance that she accept the league restrictions of military and naval armaments. It was proposed to define this by specific abolition of compulsory military service. M. Clemenceau objected however on the ground that such specification might bring up the whole question of compulsory service. It was omitted from the recommendations presented to the council of four.

The council spent the day in examining this and other committee reports. Indications were that the reply to the Germans would be ready before the end of the week, probably Friday, when five days will be given for Germany's final answer with respect to signing.

SETTLING THE MEXICAN QUESTION.

A grant has recently been made by a prominent Mexican of 240 acres of land, where he will conduct an experiment station to show the advantage of using American agricultural implements. This plan is getting at the very heart of the Mexican question, seeking by actual demonstration to train the people. Only as there is more education in Mexico will conditions there really improve and the satisfactory settlement of Mexican troubles approach.

BUSY LEGISLATIVE WEEK.

This is to be clean up week in the Illinois legislature and indications point to the passage of ap-

propriation measures as already outlined and the adoption of the tax board measure abolishing the state board of equalization. The passage of the suffrage amendment is conceded and a great deal of important legislation will be considered, for the house and senate are said to be seriously in earnest about adjournment Saturday. It will be a busy week but there is also promise that important measures will not be put thru in the midst of final hour confusion.

ANY PLAN WORTH CONSIDERATION.

One of the latest suggestions for the management of the railroads is made by a Detroit attorney in an address the other day. He suggests that the railroads be controlled by a board, one third chosen by the appointive officers of the railroads, one third by the under employees and one third by the president of the U. S.

Any plan is worth considering. It is now generally conceded that the majority of opinion is strongly opposed to government control. It is recognized that the railroads after returning to private ownership will face greater difficulties than ever before and the railroad problem is one of the most difficult questions upon which congress is called to legislate.

Congressman McKinley is said to be more than a tentative candidate for the senate and his lieutenants are earnestly waging a campaign especially in the southern counties of the state. Congressman McKinley has long been

a conspicuous figure at Washington and his popularity has extended far beyond the limits of his own congressional district. He is a man well informed on public affairs and with his knowledge of people and conditions, will make it very lively for all comers in the senatorial race. Since Senator McCormick is a Chicago man the chances are good at this time for a downstate candidate.

SEEK MILLION FARM BUREAU MEMBERS.

A million members next year in the farm bureaus of the 33 northern and western states is the goal set in a notice to county agents and county agents by the United States Department of Agriculture. Reports show that on April 1 there were 409,841 farm bureau members in these states, with 8,575 community committees—nearly a 30 per cent increase since the December, 1918, report, despite the influenza epidemic which handicapped membership campaigns.

"According to the 1910 census," says the notice to county agents, "there were 3,262,955 farms in the northern and western states. With one-third of the farms represented in the farm bureaus they could be truly said to be fairly representative. Farmers should not be coerced or scared or fooled into the farm bureau. The organization is an appeal to their intelligence and their memberships should be solicited on a thoroughly dignified, common sense, business basis. Now is the time to make plans for the annual membership campaign for next fall and winter. Some of the states may wish to do this on a state-wide basis."

Rippling Rhymes By Walt Mason

Weather.
If I could run the weather for seasons two or three, a medal made of leather you'd doubtless hand to me. The climate now presented strikes us as being bad; most men are discontented, and some of us are mad. When sunshine's badly needed, the rain falls every day; the fields, by hard work seeded, are drowned and washed away. And when we need some water to save our oats and rye, the sun gets hot and hotter, and crops begin to fry. I'd get my friends together and ask for their advice, if I could run the weather just once, or maybe twice. I'd ask the honest voters, the farming blue and tire, the burden toters to tell what they desired. I'd give them what they wanted, a cyclone or some sleet; by precedent undaunted, I'd give it and repeat. The man who runs the weather sits in a tower alone, and cares no fig or feather how weary mortals moan. He has no helpful system, no useful plan in force; though we have often hissed him, he goes his bughouse course; he keeps the punk sun sizzling when we are needing rain dand sen water drizzling when floods are on the plain. He combs his hangdown heather, and runs things hit or miss; if I could run the weather I'd fill your lives with bliss.

PRIVATE A. J. COBB NO WAT CAMP UPTON

Private Andrew J. Cobb has recently landed in New York City, according to a message received by Mrs. Cobb in this city. Private Cobb arrived on board the S. S. Duca D'Acosta and was sent to Camp Upton for discharge. He left this city for Camp Taylor, Ky., on June 28, 1918. As a member of the 140th field artillery, Battery F, he has seen an extended period of service on the Swiss border. He is fortunate in at no time suffering injury, and in common with all the other returning soldiers is anxious to once more assume civilian life.

VISITORS FROM IOWA.

Oscar Budreau and Charles and William VeDepo have returned to their homes in Iowa City after attending the McGrath-McGuire wedding at Murrayville. Mrs. Budreau and Miss VeDepo, who also came to the wedding, will remain for a visit at the home of Mr. and Mrs. Charles McGuire near Murrayville.

EXECUTOR'S SALE

The undersigned executor, by virtue of the authority in him vested by the last will of Mary E. Wood, deceased, will on

Saturday, June 21, 1919 at the hour of 1 o'clock p. m. of said day, at the south door of the Court House of Morgan County, in Jacksonville, Illinois, offer for sale at public auction to the highest and best bidder, the following described real estate, to-wit:

Four Hundred (400) feet off of the east end of lot one (1) in Church's Heirs' Addition to the Town, now City, of Jacksonville, in Morgan County, State of Illinois. Said premises being commonly known as 807 South Main Street, in said City. Prospective buyers may have the privilege of inspecting the house and premises at proper hours.

Terms of Sale.

Cash in hand (meaning 10 per cent or bid to be paid on day of sale) and balance on or before July 1, 1919, when executor's deed will be delivered together with full possession of premises. Purchaser to assume the taxes of the year 1919 as a part of the purchase price.

Of valuable residence property in Jacksonville, Illinois, belonging to the estate of Mary E. Wood, deceased, formerly widow of the

STEWART E. PIERSON, As Executor of the last will of Mary E. Wood, deceased. Charles M. Strawn, Auctioneer. J. Marshall Miller, Attorney.

CHILDREN'S DAY PROGRAM AT WINCHESTER

Exercises at Methodist Church Were Very Interesting—Lad Injured by Fall from Tree—News Notes from Scott County.

Winchester, June 9.—The program given by the children of the Methodist church Sunday school Sunday evening was very entertaining. Several tots who had part appeared in public for the first time and did their work admirably.

Robert Peak, son of Mr. and Mrs. Alfre Peak, met with a painful accident Monday afternoon. While picking cherries he fell from a tree and broke his arm near the wrist. The injury is a very painful one.

Mrs. Thomas Kirkman and sister, Miss Julia Werner, visited friends in Jacksonville Saturday and Sunday.

Mr. and Mrs. C. K. Lee of Peru, Ind., and Mrs. N. J. Moore and son Elliott of Bluffs, were guests Sunday at the home of Henry Higgins and family.

W. C. Kuechler was taken suddenly ill Friday night and Sunday it was decided an operation was necessary. He was taken to a hospital in Jacksonville by Dr. J. W. Eckman and was accompanied by his wife and daughter. The operation was performed soon after arrival at the hospital and Mr. Kuechler is in quite a weakened condition but his friends hope for his recovery.

Misses Dorothy, Henriette and Julia Hainsturther left Monday for Springfield where they will act as bridesmaids at the wedding of their cousin which will occur at the Leland hotel Wednesday.

Lieut. C. W. Smith and wife and two little daughters left Monday afternoon for White Hall and Kane to visit relatives.

Dr. E. B. Waters and daughter, Mary Kate, were visitors in White Hall Saturday and Sunday.

The marriage of Miss Mildred Hardister daughter of Mr. and Mrs. William Hardister living a mile and a half southwest of Winchester, and James R. Simpson of Hersman, occurred Saturday morning at Jacksonville. The ceremony was performed by Rev. A. A. Todd, pastor of the Baptist church there. The young people arrived in Winchester Sunday morning, and a wedding dinner was served at the home of the bride's parents. They left Monday for their new home in Mt. Sterling. They have the congratulations and best wishes of their many friends for a happy wedded life.

Misses Emma Brown and Martha Daniels of Jacksonville visited relatives here over Sunday.

A. B. Green of South Main St., is driving a new Oakland "Sensible Six" touring car, recently purchased from J. F. Claus Motor Co.

SERG. CARL WEBER HEARD IN ADDRESS

Told of Army Experiences at Sunday Evening Service at First Baptist Church—Special Musical Program Rendered

A service of more than usual interest was that at First Baptist church Sunday evening. There was a large attendance and the address made by Sergt. Carl Weber, just returned from overseas duty, was heard with deep interest. A special musical program preceded address. A duet, "The Day Is Done," by Miss Hazel Bell Long of this city and Merle Paschall of Virginia was heard with pleasure by the audience, as was true of the quartet number, "Your Flag and Mine," by the church quartet.

Sergt. Weber told of a number of his experiences on the French battlefields and described in an interesting way the various weapons used in modern warfare. He had with him a large number of these articles which he displayed while explaining their uses. Among the souvenirs displayed were shells of various types, helmets, hand grenades and gas masks. The fact that Americans excelled Germans in the manufacture of deadly gases, and the knowledge on the part of Germany that America was preparing on such a large scale for the use of gas, was said to be the real reason for the surrender of Germany.

The service closed with a great patriotic demonstration when Sergt. Weber displayed a small American flag which he had carried all thru his army experiences.

MASONIC ELECTION.

Jacksonville Chapter No. 3 Royal Arch Masons held the annual election last evening with the following result:

E. H. P. — W. P. Spillman.
K. — F. J. Muehlhausen.
S. — J. W. Boyd.
C. of H. — J. H. Huggett.
P. S. — T. P. Carter.
Rac. — J. B. Sibert.
Treasurer — J. F. Ketner.
Secretary — John R. Phillips.

CLOSE CALL.

Sunday night the street car run by John Carroll had two close calls from autoists. One was when a 'mobile chauffer' whirled in from Church street to State and the other was when another fast driver nearly struck the street car by rushing in from West street. In this case women screamed in fright, and only Carroll's promptness avoided a crash.

PASTOR'S AID SOCIETY.

The Pastor's Aid society of Grace church will hold a business meeting at the church at 3 o'clock this afternoon.

MRS. CORRINGTON DIED SUDDENLY SUNDAY

Close of Life Came to Well Known Resident After Few Hours Illness.

The death of Mrs. Emma Ledford Corrington occurred Sunday morning at 10 o'clock at her home, 241 Webster avenue, after a comparatively brief illness. It was while attending the Woman's club breakfast Saturday that Mrs. Corrington felt ill and a physician who was called to attend her recommended that she be removed to her home. Mrs. Corrington's condition became gradually worse and she soon became unconscious, continuing in that condition until the close of her life at the hour mentioned. A cerebral hemorrhage was the cause of death. Mrs. Corrington before her marriage was Miss Emma Jane Ledford and she was born Nov. 1, 1861, in Johnston county, Mo., the daughter of William H. and Julia Chamberlain Ledford. While she was a child the family moved to this county and the family home was east of Jacksonville and there her early life was spent. While a resident of the country Mrs. Corrington became a member of Salem M. E. church and later when her place of residence was changed to Jacksonville the membership was transferred to Centenary church. Thru all the years the deceased lived a conscientious earnest life and she was ever true to the best ideas.

Mrs. Corrington leaves surviving one daughter, Mrs. Thomas Harber. A son, Arthur Corrington, passed away fifteen years ago. The deceased also leaves three brothers and one sister, Mrs. George Graft of Orleans precinct, William C. and Frank L. Ledford and Charles H. Ledford of Atlanta, Ga.

Mrs. Corrington was a member of Rev. James Caldwell chapter D. A. R. and was also actively associated with the Woman's club. The funeral service will be held this morning at 10 o'clock at the residence, with services in charge of Rev. W. R. Leslie, pastor of Centenary church. Members of Rev. James Caldwell chapter D. A. R. will attend in a body.

RALPH DOUGLAS BACK FROM OVERSEAS

Ralph Douglas, formerly an employee of the Journal Co., has returned from overseas service. Douglas was one of the first Jacksonville boys to enlist and was in the army service for a little more than two years. He went with Co. B to Camp Logan and was afterward transferred to the 132nd regiment of light artillery. He was in service with Co. E of the 108th ammunition train. He went overseas in May, 1918, landing at London.

A little later the regiment reached Vuellafans and was in training there from June 15 to Aug. 24. Then they were set forward into the Toul sector, Co. E having already received their horses. After arrival in the sector they received caissons and then were fully equipped for their part in the St. Mihiel drive. Later they took part in the battle of Argonne and were near the front line at the signing of the armistice.

Douglas was a first class private and left the service with an excellent record. During all his time of active service at the front he was driving a team in the ammunition train, moving the caissons to the point desired.

PIONEER RESIDENT DIED MONDAY NIGHT

Mrs. Harriet Platt Passed Away at Her Home 866 South East Street—Born in 1841 and Lived in Third Ward all Her Life.

Mrs. Harriet Platt, widow of the late Wesley Platt, and resident of Jacksonville her entire life, died at her home 866 South East street at 8:15 o'clock Monday evening. Deceased was the daughter of John and Evaline Luntton Lawson and was born in a house that stood at the southeast corner of the square on the lot now occupied by the Jacksonville Candy company. She grew to womanhood in this city and was educated in the public schools and also attended Illinois Woman's College.

February 15, 1863 she was united in marriage to Wesley Platt. They immediately began house-keeping in the home at 866 South East street and which she occupied thru the years until death came.

Her husband preceded her in death, passing from earth in July, 1914. One son John Wesley Platt died in 1896 and one daughter, Mrs. Eva Platt Howard in 1901. She is survived by the following children: Miss Nettie B. Platt and Miss Ida M. Platt of this city; Susan E., wife of Albert H. Wyatt, South Jacksonville, and Harry Platt of San Antonio, Texas, who arrived in the city Friday evening and was with his mother when the end came. She also leaves two granddaughters, Gladys Howard and Ruth Platt.

Mrs. Platt resided in the Third ward her entire life. She was a member of Brooklyn church which is situated just across the street from her home. Thru the years she was a humble follower of her Master and gave much of her life to the work of the church.

She was also devoted to her home and her children were ever first in her thought and the home was one surrounded by Christian influence. Mrs. Platt became afflicted with heart trouble about ten years ago and since that time has been in poor health. She bore her suffering with resignation ever trusting in the Lord and so when the final summons came was ready to go. The influence of her life will be felt in the neighborhood in which she spent her years and her going will bring sorrow to many hearts.

Funeral services will be held from the residence Wednesday afternoon at 3 o'clock in charge of the Rev. G. W. Randle, pastor of Brooklyn church. Burial will be in Diamond Grove cemetery.

BUYS OAKLAND TOURING CAR

Mrs. Nellie Harvey, of this city, is driving an Oakland "Sensible Six" touring car just purchased from J. F. Claus Motor Co.

ENOS VISIT WITH MOTHER John E. Ruyle has returned to his home in St. Louis after a visit here with his mother, Mrs. Celia Ruyle of South Clay avenue. The young man expects to graduate from the St. Louis dental college this fall and will probably at that time return to this city and open a dental office.

From County Agents Office

Inspection of Wheat Fields

On Friday George H. Dungan of the College of Agriculture, spent the day with the county agent inspecting wheat fields in this county. An inquiry by a resident of Scott county sent to Washington caused the department to suspect Takeall, and consequently Mr. Dungan came to give the matter his attention. An examination of this man's field revealed nothing excepting what might be attributed to weather and soil conditions. After leaving this farm, an examination was made of farms along the road skirting the bluffs toward Arenzville as well as along the trail to Meredosia. At no place was there the slightest evidence of either Takeall or Flag Smut. In some fields the wheat is lodged somewhat, but taken altogether the outlook is good for a good wheat crop.

Farm Jobs for Returned Soldiers

So far we have placed every soldier that has asked for our assistance. They are a fine manly bunch of fellows, business like and appreciative. When they are sent to a farm they carry out directions in a hurry. This pleases the farmer who likes to have someone carry out his directions without a prolonged debate. We hope that we shall have enough of these young men to supply the demand for emergency labor during corn plowing, harvest and threshing.

RETURNS TO NEW YORK

Ensign Karl E. Hill returned to New York Sunday morning after a brief visit with his parents, Mr. and Mrs. John R. Hill. He was expecting to remain here until Thursday but a telegram required his immediate return.

FORMER RESIDENT DIES IN CHICAGO

J. H. Osborne Answered Final Summons — Funeral Will Be Held Today.

Jacob H. Osborne, a former resident of Jacksonville, died Monday at his home in Chicago. News of Mr. Osborne's death came to Jacksonville thru a telephone message received by James Weir Elliott from Mr. Osborne's son-in-law, Frank R. Elliott.

Mr. Osborne was seventy years old at the time of his death as he was born Dec. 17, 1848 at Mt. Clifton, Shenandoah Valley, Virginia. He was the son of Joseph and Sorina Craig Osborne, long time residents of that locality.

Mr. Osborne spent the days of his boyhood in his southern home and saw service under General Lee in the army of Virginia during the last two years of the war.

In 1871 he came to Illinois and shortly afterward became a resident of this city. Mr. Osborne's marriage to Miss Louise Hitt occurred in 1877 and he is survived by his wife and three children Mrs. Frank R. Elliott, Mrs. Louise Osborne Rowe and Mrs. Fred J. Jeffries all of Chicago.

Mrs. Osborne is a sister of Mrs. Ella H. McCoy, Mrs. Nannie Matthews and Mrs. Julia Holmes of this city.

A year prior to his marriage Mr. Osborne in partnership with Henry Knaples opened a house furnishing store on the east side of the square in the room now occupied by P. Bonansinga. After two years in that location the firm changed to the north side of the building now occupied by Johnson, Hackett & Guthrie and remained in business there until 1887. At that time the partnership was dissolved and Mr. Osborne opened a new and spacious store in what is now the Hopper building at the southeast corner of the public square. After remaining in business there for a ten year period, Mr. Osborne sold out to W. L. Alexander.

Mr. Osborne ranked as a man of exceptional business ability and acquired wealth thru passing years. Locally he was connected with several financial enterprises and as a receiver of the Central Illinois Bank & Savings Association made an excellent record. A man of unflinching courtesy and affability, Mr. Osborne acquired many warm friendships during his lifetime and news of his death has been received here with genuine regret.

The funeral will be held this afternoon at 3:30 o'clock at the family residence, 1364 Sheridan Road, Chicago. Interment will be at Graceland cemetery.

Mrs. Ada Shortridge Entertains Ashland Friends.

Sunday Mrs. Ada Shortridge and daughter, Miss Ethel, pleasantly entertained a number of the former neighbors and friends from Ashland. The day was most happily spent by all present and many reminiscences of years past were enjoyed. The whole day was one long to be remembered by both hostesses and guests. Those present were Mr. and Mrs. Andrew Wyatt and children; Mr. and Mrs. D. A. Bailey, Mr. and Mrs. Frank Bailey, Mr. and Mrs. George S. Bailey, Ray Shortridge and family.

The Orleans Country club met with Mrs. A. A. Curry Monday, with a large attendance, of members and visitors. It was the meeting for the election of officers and the following were chosen:

President—Mrs. Louise Hinrichsen.

Vice President—Mrs. Eva Hulett.

Secretary—Mrs. Emma Tindall.

An interesting program was given. Miss Matilda Richardson read a paper on "Old Glory, The Banner of Victory." "Explosives" was the subject of a paper prepared by Mrs. Strawn and read by her daughter, Mrs. Kumble, Mrs. Curry reported on the district meeting at Beardstown. The members responded to roll call with "An item pertaining to our flag."

The president announced the following committees for the annual picnic.

Domestic—Mrs. Curry, Miss Florence Cox, Miss Vilet Davis and Mrs. Dobyns.

Program—Mrs. J. W. Arnold, Mrs. William Cleary, Mrs. Henry Rice and Mrs. Eva Hulett. Refreshments were served following the business session and a social hour enjoyed.

The next meeting will be held June 24 with Mrs. Hinrichsen.

Miss Hennessey Gave Miscellaneous Shower.

Miss Etta Hennessey gave a miscellaneous shower at her home Monday evening in honor of Miss Melodie Doolin who is soon to be married to Mr. James Krause of Minneapolis, Minn.

The Hennessey home was tastefully decorated in pink and white. Games and music occupied the hours and prizes were won by Miss Esther McCarthy, Miss Delia Thompson and Miss Elizabeth Murphy. In the cutting of the cake Miss Esther McCarthy received the ring. Miss Gladys Hamilton the dime, Miss Josephine Steinmetz the needle and Miss Frances Sheehan the thimble.

Philathea Circle Met.

The Philathea Circle of the Central Christian church, taught by Miss Mary Dewees, held their regular business meeting Monday night at Nichols' park, with a large attendance present. The meeting partook of the nature of a picnic and was greatly enjoyed by all present. Following a brief business session lunch was served and the remainder of the evening spent in a social way.

Christian Endeavor Held Regular Meeting.

The Intermediate Christian Endeavor Society of the Central Christian church held their regular monthly business meeting and social Monday evening in the parlors of the church. Following the business session the nominating meeting reported the following officers to serve for the ensuing term, who were duly elected: Sup't., Miss Fern Haigh; Pres., Paul Bowman; First V. P., Miss Edith Rule; Second V. P., Wm. Hedden; Sec'y, Gladys Rule; Cor. Sec'y, Miss Virginia Cummings; Treas., Miss Catherine Gustafson; pianist, Miss Edith Strandberg; asst. pianist, Miss Ruth Bradley; Chorister, Miss Lois Harnay. After the meeting adjourned refreshments were served and a social hour enjoyed by those present.

Celebrated Eighty Third Birthday.

Mrs. Sabilla Tendick of West College avenue celebrated her 83d birthday Sunday. All of her children were with her: Mrs. Benjie Porten, Mr. and Mrs. A. J. Hoover and son, Edward Tendick of Jacksonville, and J. S. Tendick of Canton and her sister Mrs. Kate Kastrop.

A fine dinner was served and the cake was baked by Mrs. S. Tendick. Flowers were received from St. Louis and Chicago and a number of friends and relatives there.

stopped in during the day to congratulate her. The day was most happily spent and will be long remembered by members of the family.

Junior Prom at Illinois College.

The annual junior prom was given at the Illinois college gym Monday night and was one of the most enjoyable events of the season. It was a program of twenty-four dances with a number of extras and the Randall orchestra furnished excellent music. The attendance was larger than usual and all the appointments were such that the party was in every way enjoyable. The patronesses were Mrs. A. L. Adams, Mrs. Paul F. Alexander, Mrs. C. E. Black, Mrs. G. Baker, Mrs. Helen Ayers, Mrs. C. J. Lukeman, Mrs. O. F. Thessel, Mrs. I. B. Potter, Mrs. C. H. Rammelkamp, Mrs. Andrew Russel, Mrs. C. H. Smith, Mrs. L. B. Turner, Mrs. B. J. Underwood, Mrs. L. B. Wallace, Mrs. John Wheeler.

The committee on arrangements included Allen Smith, chairman; Misses Mary Alexander and Bernice Wheeler, Elmer Lukeman and Horace Swain.

Loyal Boys Class Held Regular Meeting.

The Loyal Boys Sunday school class of Centenary church held the regular monthly meeting in the church parlors Monday evening. It was the meeting for the election of officers and the following were chosen:

President—Lee Baldwin.

Vice president—Thomas Buckthorpe.

Recording Secretary—Roscoe Godfrey.

Financial Secretary and Treasurer—Vernon Miskell.

The class voted to attend the Sunday morning church services in a body.

Following the business meeting a social time was enjoyed and games played. Walter McDougall who leaves with his mother to reside in Ft. Wayne, Ind., was presented with a book from the class. The presentation was made by C. O. Bayha the teacher. Rev. Leslie gave a short talk. Refreshments of ice cream, strawberries and cake were served.

WOODMEN OF THE WORLD ELECT OFFICERS

Jacksonville Camp No. 204, Woodmen of the World, held its annual election and business meeting Monday evening. A nominating committee presented the following list of officers for the ensuing year, all of which were declared elected and duly installed:

P. C. C.—E. A. Olds.

C. C.—Lloyd S. Reid.

A. T.—J. Riley.

Banker—J. J. Keely.

Clerk—Wm. E. Thompson.

Escort—John Ryan.

Watchman—Ray Spillman.

Sentry—Harold Ryan.

Physician—Dr. W. H. Weirich.

Managers, for one year, J. J. Kelly, T. J. Riley and Lloyd S. Reid.

Following the regular session refreshments were served and a smoker enjoyed.

ELDON SPAULDING

AGAIN IN CITY

Eldon Spaulding, who as a member of the 123d field artillery 33d division, saw some active overseas service, arrived in the city Sunday morning and is now at his home, 920 Ashland avenue. He had part in the recent parade in Chicago and was later sent to Camp Grant for discharge. Young Spaulding made a fine record while in the service.

WILL MAKE AUTO

TRIP HRU EAST

A number of Jacksonville people will leave Thursday for an auto trip thru the east. The party will include Mrs. R. M. Hockenhill, Mrs. Louise B. Inglis and Miss Janette Powell, of this city, and Miss Elizabeth Hoiles of Greenville. Allan Smith will act as chauffeur. The autoists will be absent from the city about six weeks and will go first to Washington, D. C. After a brief stay there they will proceed to Baltimore, Philadelphia, New York City and Boston. The itinerary on the return journey will include various points in the White Mountains, Buffalo and Cleveland.

Mrs. C. E. Gray is in Springfield for a visit with her mother, Mrs. E. E. Bond.

Mrs. George M. Blair has returned from a visit with long time friends in Barry. Some years ago Mrs. Blair was a resident there.

PRESTON DAMAGE SUIT ON TRIAL

Plaintiff Brings Action Railway Company on Account of Accident in May, 1918.

In the Circuit court the suit of Clarence Preston vs. Jacksonville Railway & Light Co., is on trial. The plaintiff is represented by William N. Hargrove and the defendant company by Bellatti, Bellatti & Moriarty, and Bentley Hamilton of Peoria. The suit is a result of an accident which happened in May, 1918 on South Main street when an automobile Preston was driving came into collision with a street car.

It is the claim of Mr. Preston that the motormen thru neglect caused the accident. The jury which is hearing this case is C. J. Ralston, Roy Covington, G. H. McKean, W. F. Kormeyer, Clifton Corrington, Frank Spidel, William Burrus, Case Flynn, Arthur Swain, Walter Hehlthall, J. H. Eller, A. J. Hubbard.

In the appeal suit of David Goolsby vs. estate of William H. Mason, the court entered an order retaxing certain costs. In the damage suit of Mrs. Myrtle W. Tandy vs. Richard S. Wood entry was made showing that the suit had been dismissed by the plaintiff with the agreement that plaintiff and defendant are to share in the costs.

In the chancery petition of Mary Bump vs. Lillie B. Owings, et al., the cause was referred to the master.

In the proceedings relating to the last will of Cary F. Strang, the court examined Judge H. P. Samuel, one of the witnesses to the signature and the will was declared to be the last will and testament of Mr. Strang and certificate was ordered filed with the county court.

TWO FARM CHANCES

160 acres for sale all level, black, tiled, big improvements, in edge of Jacksonville, the county seat, \$2200 per acre.

120 acres, near town, fine home, rich land, small payment down, \$125 per acre.

If I can't show you as good country and land as you have at home, I'll pay your way here. I own the above farms, and I am going to sell them. Write to me, or if you come inquire for me at the State Bank.

P. J. Fleming, Jerseyville, Ill.

PLACES ORDER

W. R. Huckleby, of this city, has placed with the J. F. Claus Motor Co., an order for an Oakland "Sensible Six" touring car, which will be delivered shortly.

With the Sick

Mr. and Mrs. E. G. Gray and their uncle, W. H. Wilday, of Meredosia, came to Jacksonville yesterday. Mrs. Gray will be a patient at Our Savior's hospital for a number of days.

REAL ESTATE TRANSFERS

W. Eldridge to J. L. Henry, pt. southeast quarter southwest quarter 28-11-10, \$1.

Funerals

Taylor.

Funeral services for Mary Taylor were held from Gillham's undertaking parlors at 2:30 o'clock Monday afternoon in charge of the Rev. J. H. Fisher pastor of Bethel A. M. E. church. Burial was in Jacksonville cemetery, the bearers being Clarence Ross, Walter Woodson, Marion Coen, Fred Samuels, A. J. Jones and Huffaker House. The deceased was born in Mexico, Mo., 47 years ago and had resided here for a number of years.

Phillips.

Funeral services for Mrs. Mary Lucinda Phillips were held from the Methodist church in Franklin at 3 o'clock Monday afternoon in charge of the Rev. W. H. Miller. Music was furnished by Mrs. Martin Anderson, Mrs. Ed Seymour, Mrs. Curtis Scott, Miss Catherine Eador, J. W. Parks, Edgar Eador and Ed Seymour. Mr. Parks sang a solo, "The Home Land," and Mrs. Martin Anderson and Miss Catherine Eador sang a duet, "Will the Circle be Broken."

There were many beautiful floral offerings and these were in charge of Mrs. Link Gottschall, Miss Bertha Whitlock, Mrs. Edgar SSweet and Mrs. Ed Seymour. Burial was in Franklin cemetery the bearers being John Gray, Link Hill, F. L. Gottschall, Edgar Sweet, John Winn and Ernest Braswell.

TO ATTEND CONFERENCE

W. W. Holliday, manager of the Illinois Telephone Co., will go to Springfield today to attend a clearing house of the associations of Illinois independent telephone companies. Mr. Holliday is one of the directors.

GROUND IS BROKEN FOR NEW TRINITY

Impressive Ceremonial Took Place Monday on Eighty-Fifth Anniversary of Laying of Cornerstone.

On the eighty-fifth anniversary of the laying of the cornerstone of Trinity Episcopal church of Jacksonville the first shovelful of earth was removed for the foundation of new Trinity. It was June 9, 1834, that the original cornerstone was laid and yesterday afternoon at 1:30 o'clock Harry M. Andre, senior warden turned the sod in breaking ground for the foundation. The impressive ceremonial was witnessed by a group of those most interested, with Rev. J. F. Langton in charge. The 48th Psalm was read, then the company joined in singing "How Firm a Foundation."

The beautiful service was read by Rev. Mr. Langton and afterward when Mr. Andre had overturned the first bit of earth he read a further part of the service. In closing the service the pastor used the prayer which was said eighty-five years ago when the cornerstone was laid: "May the great Head of the church

prosper the erection of this house now commenced in His name and fill it with His presence and glory thru all generations. Amen."

Contractor DeGoveia has promised that the work of construction will move forward rapidly. A force of men is now busy moving parts of the old foundation and the actual work of construction will begin at an early date. The plans for the structure show that it will be a beautiful, churchly type.

By the Rector. Mr. Langton read these words: "Forasmuch as devout and faithful men have taken in hand to build on this place a house to be dedicated to the glory of God, (and in honor of His servant Saint—) wherein the Gospel shall be truly preached the sacraments duly administered, and the service of prayer and praise ever offered, in this coming generations, let us ask the blessing of Almighty God upon this undertaking. Let us pray.

"O, Almighty God whom the heavens and the earth cannot contain, yet who humblest Thyself to dwell with Thy Church here on earth; mercifully grant that all evil may be far from this place whereon we are about to build a house for Thy honor and worship. Bless this ground now to be broken for this holy purpose, and let Thy benediction rest upon all materials to be used here; thru Jesus Christ our Lord. Amen.

"O, Almighty God. Who has taught us that whatsoever we do whether in word or in deed to do it in the name of Thy Blessed Son, Jesus Christ, mercifully receive us, coming to Thee in His Name. Hear our prayers and vouchsafe to bless, consecrate and hallow this ground which we are about to break in Thy presence and upon which we purpose to build a church to Thy glory and for Thy worship and grant that all who shall serve at Thy altar therein, and they who shall in it receive the minister of Thy Word and sacrament according to Thine ordinance, may love Thee with all their heart and mind and soul and strength, and be fortified by Thy gifts may serve Thee faithfully unto their life's end, thru the same Thy Son Jesus Christ our Lord. Amen."

By the Senior Warden. After H. M. Andre as senior warden had turned the first

CHAPIN WINS FROM WINCHESTER SUNDAY

Game, Although Ragged in Spots, Furnishes Considerable Excitement on Winchester Grounds.

Chapin won from Winchester in a game of baseball on the Winchester diamond Sunday afternoon by a score of 13 to 10. As the score indicates, the contest was rather ragged in spots, but on the whole it developed considerable excitement and not a little good playing.

Chapin got a good start on Winchester by scoring seven runs in the first two innings, owing to lack of control by Overton and poor support. The Winchester twirler tightened up considerably after that, however, and blanked the Chapin team until the seventh, when he weakened and the visitors succeeded in piling up six more tallies in the last three innings.

Reams started the game for Chapin and pitched a good game. With one down in the fifth he changed places with Catcher E. McDaniels but McDaniels proved weak and permitted the home team to bring the score up to a total of 10, when Reams went back in the box, with two down in the last half of the eighth, and saved the game. Reams was credited with several strike-outs, and in the ninth inning did not allow a man to get to first.

The line-up follows:
Chapin—A. McDaniels, cf.; Reams, p. and c.; Rigor, 3b; Delp, 1b; Briggs, 2b; Hermitte, ss; Vantier, rf; Matobus, lf; E. McDaniels, c. and p.
Winchester—Riley, 3b; McCool, cf; Coats, 2b; Montgomery, c; Cunningham, 1b; Williams, lf; Campbell, 3b; Lashmet, rf; Overton, p.
Umpire, Burrus. Scorer, Elmer Johnson. The score:
Chapin 430 000 132—13
Winchester ... 011 022 130—10

ATTENDED MEETING OF X-RAY SOCIETY

Dr. H. A. Chapin Present at Session in Cleveland—Read Paper Before Body—Many Things of Interest Discussed.

Dr. H. A. Chapin returned home Sunday from Cleveland, Ohio, where he attended the session of the American X-Ray society which were held in that city June 5 and 6. Dr. Chapin presented a paper before the society on the treatment of goiter.

The attendance, Dr. Chapin said, was the largest in the history of the society and many papers of great interest were presented. Perhaps one of the most interesting was that of Dr. Price of the Rockefeller Research Laboratory.

Special emphasis was laid upon focal infection thru the teeth and tonsils. The films were shown which were taken of the teeth of Former President Theodore Roosevelt showing that the abscesses were indirectly the cause of his death. The assertion was made that 80 per cent of the deaths are caused from infection that originates in the teeth or tonsils.

Streptococcus is present in all abscesses of the teeth and tonsils and is carried by the blood, currents to every organ and tissue of the body, and are directly responsible for practically all of the diseases to which the body is subject.

It was brought out in discussion that the great danger lies in the fact that these diseases do not produce any symptoms that would attract the afflicted one's attention and neither can they be detected by the surgeon or dentist but only by an X-ray examination.

All of the members of the society present were practically agreed that everyone should have a complete examination of the teeth and tonsils at least once every six months.

One of the features of the meeting was a banquet given by the Rotary Club of Cleveland and the physicians of the society. It was at this banquet that Dr. Price made his address.

SEEKING LOCATION

Henry Frisch as president of the Chamber of Commerce has received a letter from the International Corset Co. of Aurora, asking as to labor conditions here. The manager writes that the company is seeking a location for a branch factory in some city where there will be an adequate supply of female help. The company will require for a branch factory between 200 and 300 girls and the letter referred to was for the purpose of finding out whether such a number would be available here.

GRACE OBSERVES CHILDREN'S DAY

Baptismal Service Follows Entertaining Program Sunday Morning.

Children's Day was appropriately observed Sunday morning at Grace church with an entertaining program followed by a baptismal service. Mrs. Charles Hopper offered a prize for the best speaker from the primary and junior departments of the Sunday school, the first prize going to Dorothy Bernice Graham second to Louis McLaughlin and Charles Hillerby Hopper and Martha Margaret Jones tied for third honors.

At the baptismal service, Robert Ross Hopper, son of Mr. and Mrs. Fred Hopper, was baptized. Miss Cathryn Fry of Chapin, who assisted in the program, gave a very entertaining reading.

The program follows:
Song by audience—"The Morning Light is Breaking."
Prayer—By the pastor, all joining in on the Lord's Prayer at Close.

Welcome—Roberta Jane Weirich.

Her Garden—Marian Cocking. All for Missions—Roberta Jones. The Forget-Me-Not—Margaret Abbot.

Gladness Fills our Hearts today—Ava Lupien.
Spring Song—Helen Louise Wright.

Recitation—Rogerson Woltman.
Let Us Rejoice—Willard Cody.

Duet—Martha Margaret and Roberta Jones.
How to Be Happy—Louis McLaughlin.

One Day for the Children—Elvira Towne.

What We Think—Dorothy Crim.

Paying and Praying—Martha Margaret Jones.

Song—Katherine Kelley.

Exercises by pupils from the beginners class.

Not Long Ago—Francis Cody.

Song—Eunice Hopper's class.

John Wesley's Rule—Chas. Hillerby Hopper.

Bible Stories—Helen Seymour.

He Loves Me Too—Song by pupils from primary department.

One Hundredth Psalm—Johnny Dawson.

Listening—Margaret Phillips.

Collection.

Recitation—Winona Rawlings.

In Flanders Field—Dorothy Bernice Graham.

Flageolet Solo—Chas. Hillerby Hopper.

Sunshine Somewhere—Lola Eugene Phillips.

Acrostic reading.

Violin Solo—James Wendel Rawlings.

Reading—Cathryn Fry.

Solo—Mrs. Woltman.

Song—Marion Wright.

DURBIN.

An ice cream and strawberry social will be held at the church Tuesday evening, June 10th.

Children's Day exercises will be held on Sunday night, June 15th.

Mrs. Micah Laverick and Mrs. Jane Newman, of Broadlands are visiting relatives here.

George and Thomas Oxley shipped a car load of stock to St. Louis Monday.

Mrs. Frances Rawlings fell and was badly shaken up recently. Her advanced age makes the accident a serious matter.

HE BUYS THE OAKLAND

NO REDUCTION IN OAKLAND PRICES

O. F. Berkey, Mgr., Oakland Co., Outlines Situation—Mr. Claus Says "Early Orders Necessary to Avoid Disappointment."

The following letter from O. F. Berkey, manager of the Oakland Motor Co., Chicago, under date of May 24 is self-explanatory:

"Some of you who are not entirely familiar with the labor and material situation may be under the impression that there will be a reduction in prices July 1. The purpose of this letter is to advise you that there will be no reduction in the price of any Model 34-B during the balance of the calendar year ending December 31st, 1919."

The Oakland "Sensible Six" is one of the fastest selling cars brought to Jacksonville; in fact, owing to the demand for this thoroughbred, reasonably priced car it is difficult to keep up with orders. J. F. Claus, local dealer, has precedence in orders at the factory owing to the fact that he does not confine his orders to summer time only, but buys his regular quota throughout the winter. The Oakland is the only six cylinder car today selling under \$1,200. It possesses all the finer points so desirable in a car, together with many that much higher-priced cars do not have. The touring and roadster models are leaders in their class, while the sedan is as near perfection as well can be, and is a car that positively is cooler in summer and warmer in winter than most models made. The Oakland makes more miles to a gallon of gas and on tires, and in operation, comfort economy and appearance, is ideal. Mr. Claus, of the Claus Motor Co., states there will be no reduction in price, as is shown by the letter quoted above, and that persons desiring a perfect and reasonably priced car should place orders now.

Roland Stice, Abner King and Lee Wolke, car experts with the Claus Motor Company are at your service. If in trouble, give them a call.

KNOWS A GOOD CAR

Dr. P. H. Griggs, of this city, needed a car that is absolutely dependable, so he bought an Oakland "Sensible Six" touring car from J. F. Claus Motor Co.

VISIT IN EAST

Mr. and Mrs. Walter Ayers left last night for Brockton, Mass., to make a visit at the home of their daughter, Mrs. Louis Eaton.

ALD. M'GINNIS WAS CHOSEN MAYOR PROTEM

First Ward Alderman Presided at Regular Session Monday Evening—Routine Business Transacted.

Alderman McGinnis of the First Ward was elected mayor pro tem at the regular meeting of the city council held Monday evening. Mayor Crabtree being absent from the city.

The council met in regular session with Ald. Cain, Flynn, Graff, McGinnis, Moore and Williamson present. Mayor Crabtree, Ald. Chapin and Ehnie absent.

The clerk called the roll and announced that the first order of business was the election of a mayor pro tem. Ald. Graff nominated Ald. McGinnis. There being no further nominations the clerk declared the nominations closed and called the roll on the election of Ald. McGinnis. The vote was as follows: Ald. Cain, Flynn, Graff, Moore, Williamson, ayes 5. Ald. McGinnis, nays 1. The clerk declared Ald. McGinnis elected and he took the chair.

The minutes of the last regular meeting were read and approved as read.

Claims against the city were presented. Ald. Cain seconded by Ald. Williamson moved that all properly approved claims be paid when funds are available. On roll call the motion carried.

Reports of Officers.

The reports of Frank Kiloran, chief of police and C. O. Bayha, justice of the peace for the month of May were read and received and placed on file.

The first estimate of the John T. Walbridge Engineering company in the sum of \$7,331.25 was presented. The estimate was approved by L. V. Baldwin, supervising engineer, E. M. Henderson, public engineer and the members of the water committee. On motion of Ald. Cain seconded by Ald. Moore it was ordered paid.

For the police committee Ald. Cain reported that the police department was succeeding in curbing the speeders.

Catch Basins in Bad Shape.

Superintendent of Streets White told the council that some steps should be taken to employ men to put the catch basins in shape as their bad condition might result in sickness. Ald. Flynn agreed with Mr. White and said that an epidemic was likely if something was not done soon.

Mr. White also reported that Dr. Kennibrew had offered to concrete the alley adjacent to his property if the city would give him permission. Ald. Williamson seconded by Ald. Moore moved that the matter be referred to the highway committee and the public engineer with power to act, the work to be done at no expense to the city.

In speaking of this matter Mr. White said that Dr. Kennibrew was the most public spirited citizen he had met in his work as a city official and that he should be commended for his action.

Several bids were received for the material to build the power line from the light plant to the south end pumping station. Ald. Chapin being out of the city and he being the chairman of the water committee, bids were referred to the water and light committees and the citizen's committee with power to act.

William Hainelne asked the council for permission to tap the sewer in East Superior avenue at Park Place. The request was referred to the sewer committee.

Ald. Moore reported that the Smith-Vaile pump had been dismantled at the south end station and that the centrifugal pump at the north end station had been disconnected and was ready to be moved and the work would be done soon.

J. T. Walbridge was present and told the council that work was progressing satisfactorily and that with good weather the work would be pushed rapidly to completion.

T. M. Tomlinson was present and said he had expected to see the plan prepared by H. L. Caldwell for parking cars about the square which had been presented at a meeting of the Chamber of Commerce.

There being no further business the council on motion adjourned.

VISIT IN EAST

Mr. and Mrs. Walter Ayers left last night for Brockton, Mass., to make a visit at the home of their daughter, Mrs. Louis Eaton.

STATEMENT FROM MR. WOOD

The statement in the Journal Sunday with reference to the automobile accident in which Mrs. W. H. Mosely and members of the family were injured, indicated that the driver of a car who saw the accident failed to stop and give assistance. George W. Wood of Franklin asks that a correction of this statement be made.

Mr. Wood says that as he was driving at the rate of about twenty-five miles an hour that the occupants of the Mosely car started to pass him, when their car wavered and a moment later he heard a crash. According to Mr. Wood's statement, he looked back, saw that the car had overturned and as soon as possible brought his own car to a stop and went to the aid of the unfortunate people. Mr. Wood was one of those who helped place Mrs. Mosely and the others injured in the cars which brought them to Jacksonville.

GAVE DANCE FOR DAUGHTER

Mrs. James McDaniel gave a dancing party at Nichols park Monday evening in honor of her daughter, Miss Edith Frances McDaniel. Fifty couples enjoyed the program of dances to excellent music furnished by Mrs. Reid and sons and Howard Mitchell.

SPECIAL CLASSES for summer term start Monday, June 16. BROWN'S BUSINESS COLLEGE.

CHILDREN'S DAY AT FRANKLIN CHURCH

Program at M. E. Church Sunday was One of Special Merit—Phillips Funeral Held Monday—Other News Notes.

Franklin, June 10.—Children's Day exercises were observed at the M. E. church here Sunday and an excellent program was enjoyed by a large crowd.

Mrs. Mary Phillips passed away at her home 4 miles north of here Saturday morning, and funeral services were held Monday at 2 p. m., at the M. E. church.

Bugler Grotfey Wright who recently returned from France and has been visiting home folks the past three weeks, has gone to Newport News, Va., where he will attend a military school for the following year.

Misses Maude Criswell, Mary Seymour, Grace Armstrong, Mae Douglas and Dorothy Scott went to Normal Saturday to enter school for the summer course.

J. P. Woods and family, Geo. Bland and family and Mrs. James B. Wright were in Jacksonville Sunday to attend a farewell gathering at the home of Attorney and Mrs. Walter W. Wright who will leave in the near future for Greeley, Colo., to make their future home.

Miss Eunice Woods has returned home from Stonington where she has been teaching school the past year.

The Harry La Tier show has returned on their annual visit to our midst and will be stationed in the park for the following week and will play each night.

Eryle Laverick is driving a new Buick Six.

BUYS ALL-YEAR CAR

William Batz, well known resident of this city, has placed an order with J. F. Claus Motor Co., for an all-year-car—an Oakland "Sensible Six" Sedan; the car that is cooler in summer and warmer in winter. Delivery is expected soon.

MORGAN.

Mrs. Charles Taylor visited relatives in Pike county last week returned home Thursday.

Harold Nergenah, James Anderson and Walter Williams attended the alumni reception at Chapin last Tuesday evening; as it was a very bad night the graduates did not all get to attend the reception as six of them were from the country.

Mrs. Helen Manion and family who has been visiting here left for their home in California last Friday night.

Charles E. Williams went to Springfield last Friday to the Prince Sanatorium for treatment for his eye for removal of a cataract.

Mrs. Clyde Williams was a Springfield visitor last Friday accompanying her father-in-law, C. E. Williams. She visited relatives while there.

Austin Moody and Gordon Sweetart took six o'clock dinner with friend in Winchester Sunday evening.

Miss Mildred Anderson was a Jacksonville visitor last Saturday.

C. H. Taylor visited his brother Riley in Chapin last Saturday.

Mrs. Clyde Funk and children of the vicinity of Exeter visited Saturday and Sunday with her parents Mr. and Mrs. M. V. Hutches.

UNIVERSAL FAVORITE

The Oakland "Sensible Six" touring car just purchased by B. L. Peebles, of waverly, from J. F. Claus Motor Co.

ROBERTSON HOME TO PASS TO NEW OWNER

C. N. Priest Has Made Contract For Purchase of Handsome West State Street Property—Possession to be Given in July

One of the most important real estate deals of recent months was made yesterday, when John H. Robertson sold his handsome residence at 1203 West State street to C. N. Priest. The sale price was \$20,000, and the contract calls for possession of the property July 26. Charles H. Story was the broker who made the sale.

It will be gratifying to the numerous friends of Col. and Mrs. Robertson to know that Jacksonville will still be their home, altho they may be absent a part of the time. It is the intention of Mrs. Robertson and her mother, Mrs. Pierson to spend at least the coming year in the east. Stewart Robertson, younger son of the family, has been in a Philadelphia school the past year and this fall the elder son, John Robert, expects to enter a Harvard preparatory school.

Col. Robertson's oil and farming interests in Oklahoma and Nebraska require his presence in the west a great deal of the time but he expects to be in Jacksonville frequently and this will continue to be his place of residence.

The Robertson home was designed by Henry Elliott, architect, for Mrs. C. M. Duer, and no expense was spared in its construction. A number of years ago it became the property of Col. Robertson and has been maintained in a way to keep it constantly in the best possible condition. So in acquiring this property Mr. and Mrs. Priest and their daughter, Miss Eula, will have one of the most spacious and delightful homes in Jacksonville.

HOMER POTTER BUYS an Oakland "Sensible Six" touring car from J. F. Claus Motor Co. He wanted the best six cylinder car made, and he got it.

PRIVATE JOHN LYNCH IS RETURNED SOLDIER

Private John H. Lynch returned to the city Monday afternoon, having received his discharge from army service at Camp Sherman, Cincinnati, Ohio, Saturday, June 7. Sergt. Lynch was in the overseas service and his regiment served during the Meuse-Argonne offensive. However, this was only for a few days for they were there only a short time prior to the signing of the armistice.

On March 26 Private Lynch was taken ill and showed symptoms of pneumonia. He received treatment at several French hospitals and as soon as his condition would permit sailed for New York. He landed in New York May 24, on board the U. S. S. Santa Theresa, and after a stay at Green Hut hospital was sent to Camp Sherman for discharge.

NOW IN PARIS

Corporal Carl E. Newport, a Journal employee who is still in the army overseas service, writes that he is now in Paris. He has been serving as chauffeur for an American officer and so since the signing of the armistice has traveled extensively. He is now hoping that in the course of a very few weeks he may receive his discharge and be sent to the U. S.

FELL WHEN HORSE SLIPPED

Miss Cora Cherry was quite painfully bruised Sunday by a fall from a spirited horse she was riding. In turning a corner the animal slipped and fell, throwing Miss Cherry in such a way that the injuries resulted. She will be confined to her home on South Church street for several days.

W. W. WRIGHT WILL LOCATE IN WEST

Well Known Young Attorney To Make Greeley, Colo., His Place of Residence.

The fact became known Monday that Walter W. Wright and family at no distant date will move from Jacksonville to Greeley, Colo., where Mr. Wright will enter upon the practice of law. The change is made partially on account of Mr. Wright's health, but mainly because of the larger business and professional opportunities in the western city. Mr. Wright recently spent a number of days in Greeley and was very much attracted by the possibilities. It is a city of but 12,000 inhabitants but the court and law offices are constantly crowded. Mr. Wright studied law for two years in the office of Judge Layman and in the finished his course at Illinois Wesleyan, being admitted to the bar in 1917. At that time he had an office in Jacksonville and has in a short time built up a lucrative practice.

Mr. Wright said last night that he regretted to leave Jacksonville for many reasons but was persuaded that the change to Colorado is advisable. The many friends of Mr. and Mrs. Wright will be sorry to know of their intention to remove from Jacksonville.

TO ATTEND ROTARY MEETING AT SALT LAKE

Rev. M. L. Pontius will leave Wednesday night for Chicago and there join a company of Rotarians for Salt Lake City, where they will attend the international convention of Rotary clubs. Mr. Pontius goes as a delegate of the Jacksonville organization. The international convention will be in session from June 16 to 20 and the program shows many important subjects to discuss and

PRIVATE GOTTSCHALL IN CITY MONDAY

Private Floyd L. Gottschall arrived in this city early Monday morning and left Monday afternoon for his home in Franklin. He was with the supply company of the 123d field artillery, France and saw several months active service at the front. He has a great deal of pardonable pride in the fact that his unit was one of those cited for brave action.

In Use For Over 30 Years.

The Kind You Have Always Bought

COMMENCEMENT DAYS BEGIN AT ILLINOIS

Baccalaureate Sermon at Westminster Sunday Morning—Vesper Services Sunday Evening—Whipple Academy Exercises Monday Morning.

The baccalaureate services of Illinois College were conducted in Westminster church Sunday morning with the congregations of that church, State Street Presbyterian and Congregational. The faculty, alumni, students, trustees and friends of the college composing an audience which was indeed inspiring. The opening exercises were such as befitted the occasion.

The speaker of the morning was Rev. A. F. Ewert of White Hall and introducing him President Rammelkamp remarked felicitously on the fact that it was the first time he had had the pleasure of introducing on such an occasion a speaker who had been a student since his connection with the college.

The speaker expressed his appreciation and pleasure on being requested to officiate on such an occasion and then taking for his text the words "He that is slow to anger is better than the mighty and he that ruleth his spirit than he that taketh a city," he said in part:

"The man about to embark on a foreign voyage in the defense of his country little realizes what is before him as he sets foot on the ship that is to carry him to his destination. He is the great importance of his mission. Friends and relatives gather around and bid him a tearful farewell and the shores of his native land fade from his sight. The time of his voyage seems long but thru the waves and he is landed on the other shore and then the home-coming which follows.

"Who can depict the joy that swells in the breast of the young soldier as the shores of his native land appear. How appropriate it is that the Statue of Liberty enlightening the world is placed where all ships pass by. What a royal welcome seems to be tendered by that mute evidence of the fraternal feeling between the nation which gave it and the one receiving it.

"As our ship drew near the land the captain told me there was a soldier who needed my attention. He had been in France fourteen months and on the way home he was attacked with illness and the end seemed near. I spoke to him as encouragingly as possible but he knew the end was near and said so. He was calm and resigned and fell asleep to awake no more and sorrowing friends received the body instead of the loved one whom they had so fondly expected.

"As the ship drew near the people on land shouted 'Welcome to New York' but we replied 'We are going to Hohenheim.' Then came the going on shore, the meetings by dear ones there and the people generally, the departure for camp, the discharge and the final home coming and as it went thru my mind I thought of the day when the gates of gold will open for the admission of the soldiers of the cross, valiant ones who may not have faced death by a military foe but still have fought the good fight.

STOUT LADY

How to Reduce Your Weight
Get rid of that burden of obesity this very season. Become lithe and active. Stop suffering from over-stoutness. You may even eat ice cream, cake and candy if you like. Enjoy yourself while getting thin by korein system—approved by physicians.

Mrs. Clarence Cash reports that pounds in six weeks by using oil of korein.

Many other reports made by delighted women, who were unable to get rid of their burden of fat until they adopted the new method.

Get a small box of oil of korein in capsules, at any drug store; follow the plain directions of korein system. Guarantee of reduction or money back. Nothing drastic or harmful—a safe self-treatment that has improved the figure, vivacity, beauty and health of legions of ladies. For protruding hips, unduly large neck or bust, double chin, puffy abdomen, etc., this simple, remarkable effective reduction system should be tried. A book, "Reduce Weight Happily," may be had free, post-paid (plain wrapper), by writing to Korein Company, NE-69, Station F, New York, N. Y.

Skin Misery? Soothe It Instantly with Ma-oze Antiseptic Powder

Are you ashamed of your skin? Mortified by its blotchy look? In a constant agony of itching and burning? If you are, you'll appreciate Ma-oze Antiseptic Powder. Mix a little in melted vaseline, then cool. Spread it over the inflamed skin at night. The relief will amaze you. Ma-oze Antiseptic Powder cleanses blotchy skin, stops the itching, soothes the inflammation and relieves eczema. Use it as a wash for minor inflammations. A 50c package makes 25 pints. Get a package from your druggist today. He carries three sizes: 25c, 50c and \$1.00.

and are ready to enter into their eternal reward.

"And then I thought of the 70,000 graves of our brave boys in France who had given their lives for their country; who had gone thru the fiery ordeal of battle and into their reward. They did their part and it was up to us of the present to carry on the work. The bill is presented and we must pay it. We are truly on the threshold of great events. The world has been emancipated from tyranny and aristocracy and it seems as if the redemption of man was near. Many have been made free; will they use their freedom in the right of way? For this great result men have suffered greatly and will the result equal the cost? We must go back to character and see what it will produce.

"The world has been made free for democracy and new we must see that democracy saves the world. We serve Christ when we serve men. And we save the world by saving ourselves. This is a personal question with each of us. There are men who can rule others but cannot rule themselves. We must strive daily first to rule ourselves and then we may control others and if we would be truly great we must have self-control. It is thru discipline and hardship that character is made. The lovely Alpine flower thrives amid adverse surroundings and gladdens the hearts of all who behold it.

"The eagle soaring over the mighty chasm is a noble sight; the mighty ocean is a symbol of eternity; the world's full of great and noble things but greatest of all is he that conquers self and triumphs over adversity and death and shows that he that ruleth his spirit is greater than he that taketh a city."

The benediction was pronounced by Rev. C. A. Nymman of the Woman's College.

The Vesper Service.

The vesper service of the College campus was a delightful event. The weather was simply perfect and the large audience fully entered into the spirit of the occasion. The platform was beautifully decorated with flowers and house plants. Mrs. Bullard ably led the music at the piano and Rev. E. B. Landis presided. Dr. W. E. Spoons offered a prayer. A pleasing song service preceded the address by Rev. W. H. Marbach, pastor of State Street Street church who read a part of the story of Daniel praying with his windows open toward Jerusalem in defiance of the mandate of the king and then said in part:

"I would enjoy telling of my experience in Camp Pike, addressing on Sunday, first the patients in the contagious ward; then the officers, then the men; then after dinner the men of dusky hue; then to the mule stable where were gathered all kinds of humanity and then at the 'Y' in the evening but instead of that let me take a look into the future.

"An inspired writer has said that man is fearfully and wonderfully made. He is like a house and sees from the windows of his soul many things. Daniel had his windows open toward Jerusalem and had a vision of his Maker. Some men have their windows open toward Athens and find great inspiration in the noble Acropolis and matchless works of art. Some have their windows open toward Rome and see their greatest desires in power and militarism. These are the kaisers and the czars whom we hope to see no more. Others see in Rome the perfection of laws of literature and civilization.

"It is said that when the great Alexandrian library was burned more than a half-million valuable books were destroyed. What an irreparable loss to mankind! Then there are those whose windows are open toward history and they revel in the events of the past; the deeds of Charlemagne, Caesar, Napoleon and other great heroes of history. Some have their windows open toward literature and delight in the works of the immortal authors who moved the world with their writings. Some have their windows open toward music and pay homage to those who have produced the sweet melodies which have charmed the world. And then; sad to relate how many have their windows open toward Sodom and seek the lucid life which leads men to destruction. We can play with fire and for a time it may be enticing but in the end it will burn.

"Daniel had his window open toward Jerusalem. He placed a duty before pleasure. Today Jerusalem is a city holy to the Jew, the Moslem and the Christian. Daniel succeeded as a statesman and all else because he lived right.

"Many of our great leaders have their windows open toward Jerusalem. Foch, Joffre, Balfour, Lloyd-George, Pershing, Wilson, have their windows open toward Jerusalem and God. The satraps of Babylon were jealous of Daniel, an exile and a prisoner placed over them and they laid a plot to destroy him. He knew the plan and bravely stuck to the right and triumphed. He purposed in his heart that he would not defile himself with the king's dainties which tasted good but hurt the health.

"How many there are who, in the morning think not of the good. Being who gave them all things but hasten to find the latest quotations of grain, the stock markets and the price of cotton. Daniel was a great man but he was humble; he knelt down and prayed. Then some men are selfish or lazy and don't want to do a duty that costs something and thus have souls that are lean. Young people; if you would attain the greatest good in your life have your windows open to God; give Him the best of your lives and you will have a rich reward."

Whipple Academy Commencement.

The Whipple Academy Commencement Monday morning attracted a well entertained audience to the college chapel. The whole program was truly excellent. The double quartette played admirably and won many words of praise from those capable of passing on good music.

The salutatory by Edward Tanner showed that the rare genius of father and grandfather was still well alive in the family and had a student of the 50's been there with his eyes closed he could easily have imagined he was hearing the witty sentences of the frequent with the ex-president of the college.

The class will was a humorous production and pleased everyone. The essay on universal physical education was a carefully prepared treatise on the all important subject of physical culture. The sketch of the Virgin Islands of the U. S. dealt in history most faithfully studied and gave a clear and intelligent idea of the new acquisitions of the country. The declamations were both selected and given with scope for the superior ability of the speakers. Miss Wilson showed her mother's careful training and fine ability. Principal McCoy and wife held a reception in the library at the close.

The following was the program:

Rev. F. B. Madden.
See, the Conquering Hero Comes (violin)..... Handel
Cranes from Iphigenia in Tauris..... Gluck
Conservatory Double Quartet.
Majorie Black, Louise Robinson, Edward Capps, John R. Robertson, Anna Bradley, Mary Winchester, Harland Moses, Hugh Wilson
Salutatory.

Edward Tanner.
Class Will and Prophecy.
Louis Leurig.
Essay—Universal Physical Education..... Frank Gott
Declamation, "Old Mother Goose"..... Shirley Margaret.
Vocal Solo, Song of Gladness..... Sanderson
Genevieve Wilson.

Essay, Sketch of the Virgin Islands of the United States.
Clara Russel.
Declamation, "The Third Ingredient"..... O. Henry
Golda Taylor.

Spanish Dance..... Weber
Double Quartette.
Benediction.

Rev. E. B. Landis.
Regular Diploma—
Edward Allan Tanner
Clara Elizabeth Russel
Frank Gott.
Shirley Marie Margaret.
Golda Beatrice Taylor.
Neva Opal Windmiller.
Robert Lenington.
Special Diploma—
Genevieve Cynthia Wilson.
Louis Franklin Leurig.
John George Clark.

A LADY'S CAR

Mrs. May E. Strawn, of west of Jacksonville, wanted an all-year car and one that is particularly adaptable to a woman's driving—an Oakland "Sensible Six" Sedan, from J. F. Claus Motor Co., was her unhesitating choice.

Mrs. F. M. Birdsell, son and daughter, of the southwest part of the county, were travelers to the city yesterday.

Bilious? Take NR Tonight

Nature's Remedy is Better and Safer Than Calomel. Cleans Out System Without Gripping. Stops Sick Headache. Guaranteed.

Bilious attacks, constipation, sick headaches, etc., are in the great majority of cases due to digestive trouble and no reasonable person can expect to obtain real or lasting benefit until the cause is corrected.

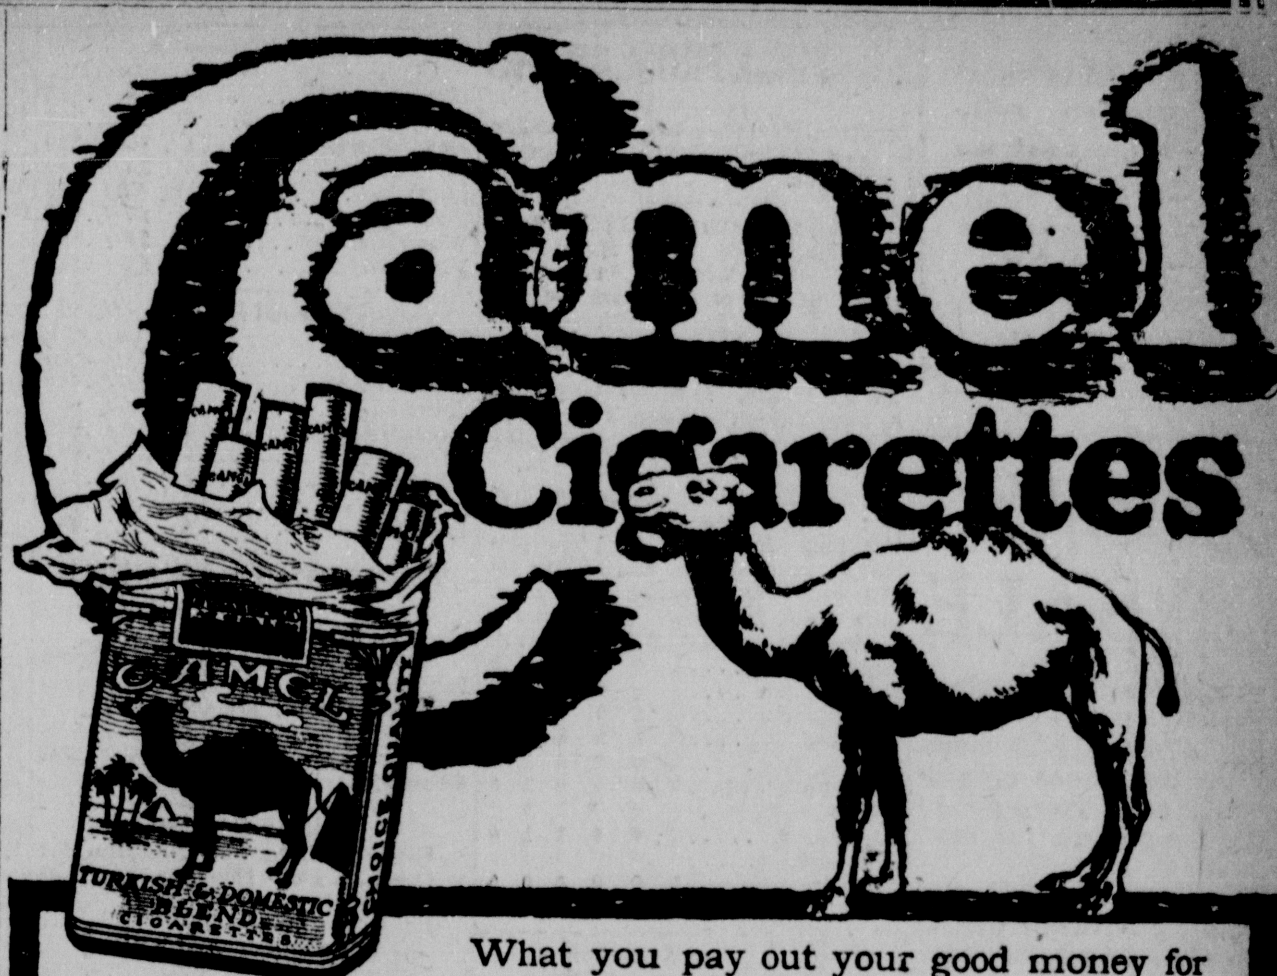

Nature's Remedy (NR Tablets) is a vegetable compound that acts on the stomach, liver, bowels and kidneys, the purpose being to bring about healthy and harmonious action of all the organs of digestion and elimination. It acts promptly and thoroughly, yet so mildly and gently that there is never the slightest gripping or discomfort.

But that is not all. Nature's Remedy (NR Tablets) have a beneficial effect upon the entire body. By improving the process of digestion and assimilation, the nourishment is derived from food, the blood quality is enriched, vitality is increased and the whole system strengthened.

Once you get your body in this splendid condition, you need not take medicine every day—just take an NR Tablet occasionally when indigestion, biliousness and constipation threaten; and you can always feel your best. Remember, keeping well is easier and cheaper than getting well.

Get a 25c box of Nature's Remedy (NR Tablets) and try it. It is sold guaranteed and recommended by your druggist.

What you pay out your good money for is cigarette satisfaction—and, my, how you do get it in every puff of Camels!

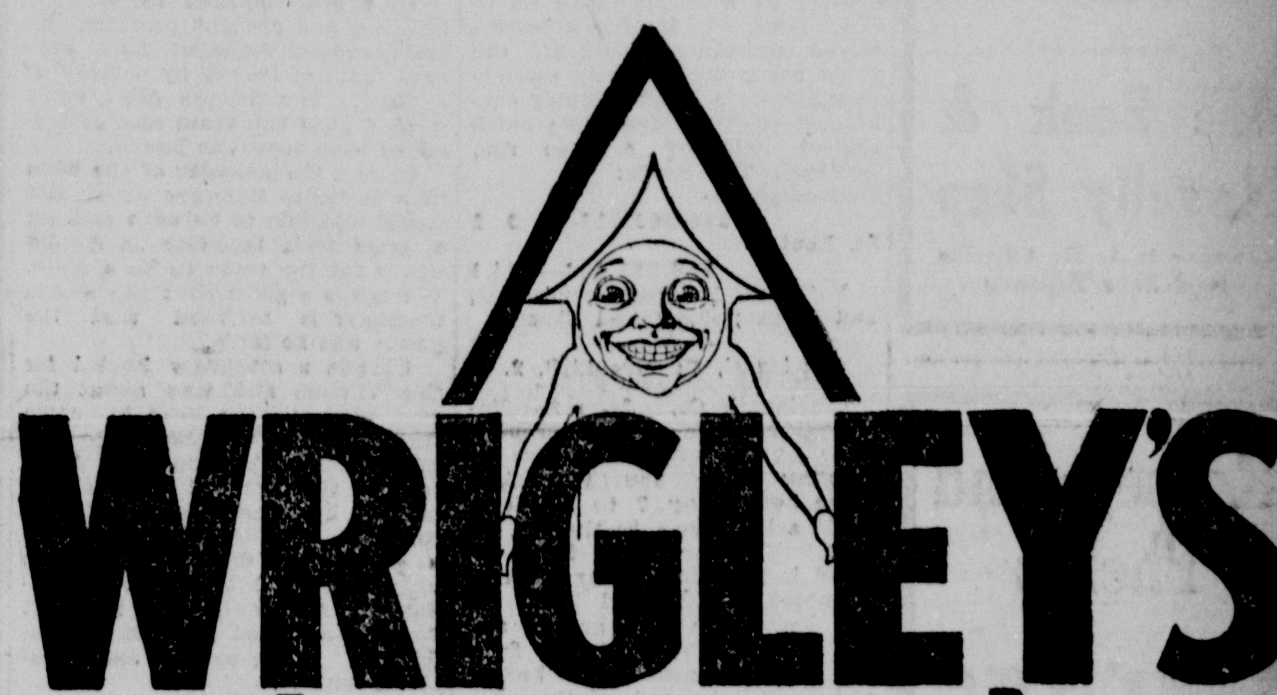

EXPERTLY blended, choice Turkish and choice Domestic tobaccos in Camel cigarettes eliminate bite and free them from any unpleasant cigarette aftertaste or unpleasant cigarette odor.

Camels win instant and permanent success with smokers because the blend brings out to the limit the refreshing flavor and delightful mel-

low-mildness of the tobaccos yet retaining the desirable "body." Camels are simply a revelation! You may smoke them without tiring your taste!

For your own satisfaction you must compare Camels with any cigarette in the world at any price. Then, you'll best realize their superior quality and the rare enjoyment they provide.

Auto Tires Accessories and Supplies

A Complete Stock of All FORD PARTS

We have the necessary knowledge and tools for overhauling, and repairing all makes of cars. Repairing magnetos, generators, batteries and starters a specialty. Welding machine work, a complete battery department for overhauling, rebuilding and charging all kinds of storage batteries—we recommend and keep Gould storage batteries and parts in stock.

Your Shoe Trouble

There is nothing more uncomfortable and aggravating than an ill-fitting shoe—

Make up your mind that for once in your life you will have a shoe that satisfies you to the smallest detail—a shoe that does not slip at the heel nor pinch at the toe, a shoe that will not wrinkle or run over at the sides. Make up your mind that this time you will have a shoe that follows perfectly the lines of your foot, that from the very day you first put it on, feels comfortable, and that will retain its trim and stylish appearance under the test of wear.

Our Lines of New Shoes for Summer

are most complete, in leathers and canvas. Won't you come in and tell us about YOUR "Shoe troubles" and let us help you.

CUBS TAKES SERIES FINAL FROM BRAVES

Scott and Maranville Responsible For Chicago Winning—Other Games.

Chicago, June 9.—Jack Scott and Maranville were responsible for Chicago winning the final game of the series from Boston, today 3 to 2, in the eleventh inning. Maranville fumbled Mann's grounder and Merkle followed with a single. Paskert laid down a bunt which Scott took and threw wild to first, permitting Mann to score the winning run.

Vaughn's win throw to first in an attempt to catch Powell off the bag followed by Thorpe's single enabled the visitors to tie the score and forced the game into extra innings. The score: Boston, AB. INDEPENDENTS ARE AGAIN VICTORS

Defeated Fast Barrett Team of Peoria by Score of 2 to 1—Visitors Fought Hard All the Way—Inability to Hit Seymour Cause of Defeat.

In a game marked by brilliant fielding and airtight pitching the Independents defeated fast Barrett team of Peoria by a score of 2 to 1. The visitors came down with a good ball team and expected to take home the bacon.

In fact the manager of the team in a letter to Manager Smith last week told him to be sure and get a good team together as he did not want the game to be a farce. We make a guess that the Peoria manager is satisfied that the game was no farce.

Claude a southpaw hurled for the visitors and was about the best pitcher seen here in some time. He had everything, including a deceiving drop ball which several times caused the local batters to hurt their back trying to reach it. In addition to pitching a good game Claude scored the only run for his team and incidentally it was the first run that had been scored against the Independents in twenty-seven and one-third innings.

Seymour of Franklin pitched for the Independents. He was rather wild and walked four men and one of them resulted in the visitors' lone score. He was effective in the pinches, however, and was given great support by Clark back of the bat.

There was some excellent fielding by both teams. The visitors infield, was fast and backed up Claude in brilliant fashion. Jacksonville's infield was equally good and the work of all of the men was of high class despite the fact that Ruble, DeFrates and Briggs each had an error. Wheeler did great work at first and in the seventh grabbed a line drive right off the ground from Johnson's bat and doubled Driscoll at first. Wilkerson in right field made a brilliant catch of a fly from the bat of Cone in the fourth inning that was ticketed four bases.

How the Runs Were Made.
The Independents scored in the first inning when Ruble first walked and stole while Wheeler was striking out. Briggs hit the first ball pitched for two bases and Ruble scored.

The last run came in the fourth inning. Incidentally that run should have been the only one scored and the score should have been 1 to 0 in favor of Jacksonville. Clark was first up and singled. Then amid great cheers he stole second and took third on Christopher's hit to right center. DeFrates followed with a Texas leaguer to right and Clark scored. Peoria threatened in the first inning when a fast double play retired the side. In the sixth inning Seymour retired the side on three pitched balls. The lone run came in the eighth and was made without the aid of a hit. After one was out, Claude walked and went to second by a passed ball. Saus filed to Wilkerson. Ruble fell down and dropped Braverman's fly in short right field and Claude scored. Braverman was caught at second on Clark's peg to Briggs after Wilkerson had thrown the ball to the plate in an endeavor to get Claude. The score: Peoria AB. R. H. O. A. E. Sausers, 2b. . . . 4 0 0 3 5 0 Braverman, cf. . . . 3 0 0 0 0 0 Fleugel, 3b. . . . 4 0 0 2 5 0 Cone, ss. . . . 3 0 1 3 2 0 Bowdoin, 1b. . . . 3 0 2 5 0 1 Driscoll, rf. . . . 4 0 1 0 0 0 Johnson, lf. . . . 2 0 0 1 0 0 Baker, c. . . . 3 0 0 9 2 0 Claude, p. . . . 2 1 0 1 9 0

REUNION OF SPINK FAMILY

Sunday at the pleasant home of Mr. and Mrs. Ebenezer Spink, 1004 West Lafayette avenue, children and grandchildren, gathered in good numbers to enjoy a family reunion which was complete with the exception of one son, M. L. Spink of Berea, Kentucky. The occasion was especially in honor of the returned son, Paul Spink, from overseas. The Paul was not in any possible sense a returning prodigal and wasn't met a long way off in ragged clothes by a forgiving father, still he was none the less welcome and in this case too the elder brother didn't stay outside and pout but joined heartily in the happy festivities of the day. It is easy to imagine how the day was spent in that harmonious family where the tender ties have ever been cultivated and cherished and of course a fine and abundant dinner was a prime feature of the happy occasion. In the afternoon the family's pastor, Rev. W. E. Collins, was present and baptized a number of children, Phyllis Ann and Virginia Ward, Franklin Spink Rawson, Ruth Hall Spink and Betty Spink. The ceremony was most beautiful and performed in the happy manner usual with the minister who officiated while the affair was made still more beautiful by the soft strains of the piano by Miss Virginia Spink. The guests present were Mr. and Mrs. J. T. Spink and two sons, E. O. Epink and Mr. and Mrs. C. J. Dickinson of Chandler-

Philadelphia, 3; Cleveland 1.

Philadelphia, June 9.—Seibold outpitched Enzmann and Philadelphia defeated Cleveland today 3 to 1. The Athletics earned all their runs well placed bunts contributing the scoring. The score: Cleveland—000 000 001—1 6 1
Philadelphia—000 100 02—3 9 1
Batteries—Enzmann and O'Neill; Seibold and Perkins.

For Sale—Steinway square piano. Inquire at Dunlap hotel.

BE FAIR TO YOUR WIFE

Your Office will be Cool - How About Your Home?

A Gas Range

Gives You "FIRE" Only When and Where You Need It.

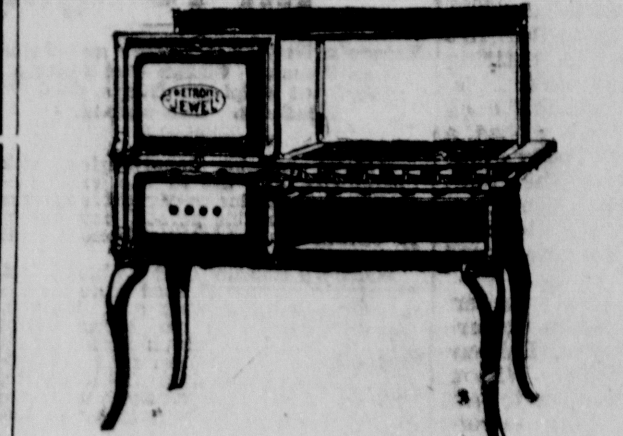

An "ECLIPSE" Range To Meet Your Needs \$22.50 to \$29.90 Let's Install it Now

In practically all offices men have so arranged that there is the least possible inconvenience during hot days—by installing suitable electric fans.

Women have their work to do. Make it as easy for them as you can! A fan in the kitchen, in the sewing room, the sitting room, bedroom—a fan will do it, and the cost will be insignificant when compared to the saving in strength and the comfort had.

There are specially made, light, readily movable fans—a fan for every need.

Come in and talk the matter over with us. Be ready for the hot days and nights when they come, as they surely will.

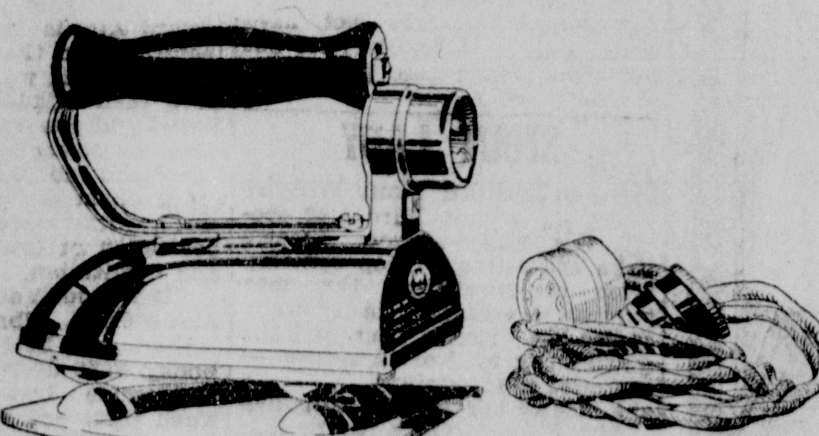

The Old Reliable "Detroit Jewel" \$36 to \$54

Prepare for Hot Days

Emerson or Westinghouse—a Size to Meet Your Needs, up from \$12.00

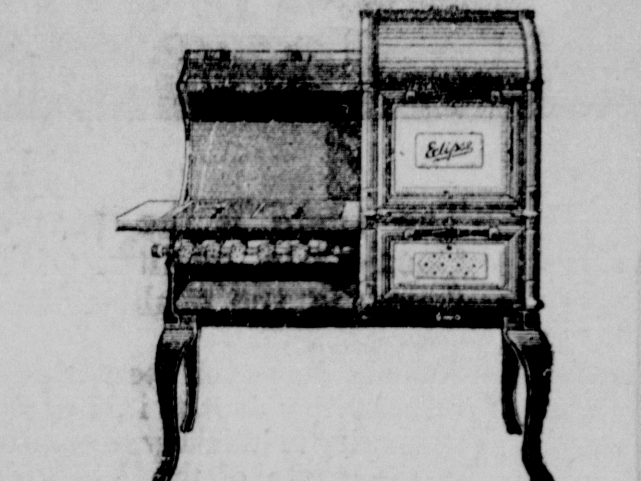

Every Housewife Should Have One of These Labor Saving Irons \$7.00

Announcing the New "DIXIE FLYER"

\$1365

F. O. B.
Factory, for

Touring or Roadster

The new DIXIE FLYER is a car of many refinements and improvements. Every essential that will add service, increase efficiency and make it more complete, as a dependable passenger car, is included in the specifications and list of improvements.

Model H-S 50 is complete in every detail. Nothing but standard units, tested and approved, have been embodied in this car. These units, made by such well known concerns as Herschell-Spillman, Borg & Beck, Stromberg, Grant-Lees, Brown-Lipe-Chapin, and others, will be taken as evidence that they are all they should be.

The Improvements in Model H-S 50 are too numerous to mention in detail. We can merely list them in this announcement, but you will readily recognize and appreciate their practical value and that each adds beauty, elegance or increased value to the car.

Read the List of Improvements and then see how many cars you can name that do not have these refinements, yet which sell for more money.

IMPROVEMENTS

More efficient motor, 40 horsepower at maximum speed.
Vibration eliminated at all driving speeds.
Force feed high pressure motor lubrication.
Hot spot manifold and hot air vacuum jacket.
Variable temperature control of carbureted mixture, operated from instrument board.
Fan driven from generator shaft instead of cam shaft.
Eliminates gear noise at low speeds.
Igniter and coil located at rear of motor. Shortens wiring and keeps parts dry.
Universal joint of extra capacity to handle increased horsepower.
Power plant bolted direct to frame without use of brackets.
Three point support with adjustable front connection.
Special drop forged brake and clutch pedals instead of castings.
Bower roller bearings in all wheels—two in each hub.
Brown-Lipe-Chapin steel driving gears.
Oil cups instead of grease cups.

SPECIFICATIONS

Motor—Dixie-Spillman 4-cylinder in block removable head, three-point suspension, Thermo-Syphon Cooled.
Clutch—Borg & Beck.
Lubrication—Force-feed to main bearings; splash to upper and lower connecting rod bearings and cylinder.
Cooling—Thermo-Syphon system.
Radiator—Hexagon cellular type, with extra large air space and maximum circulation. Radiator mounted on coil springs.
Carburetor—Stromberg.
Transmission—Grant Lee's selective sliding gear, three speeds forward and reverse, three and one-half per cent nickel steel shafts and gears, heat treated; annular ball-bearings.
Starter—Dyneto 2-unit system, electric starting and lighting, with Bendix drive.
Ignition—Connecticut automatic.

Bevel plate glass in back curtains instead of celluloid.
Wide opening doors of large size, closing to the rear.
Seats deeper and wider.
Linoleum-covered, metal-bound floor boards instead of rubber matting.
One hundred per cent greater capacity cellular radiator, core mounted on springs with independent radiator shell.
Additional equipment—clock, motor meter and ammeter instead of battery indicator.
Curtains open with all doors.
Oil cups on all spring links and steering connections.
Longer frame and lower spring suspension at rear.
Simpler tire carriers—interchangeable with roadster and touring car.
High grade full Turkish plait upholstery.
Larger fan—ball bearing.
Generator provided with fuse in field circuit to prevent damage to electrical equipment.

SPECIFICATIONS

Battery—Willard 6-volt, 80 amp. hr.
Control—Gear shift and emergency brake levers in center of forward compartment. Spark and throttle on steering wheel. Accelerator in toe-board at right of brake pedal. Carburetor and hot air adjustment on instrument board.
Drive—Brown-Lipe-Chapin nickel steel driving gear.
Axles—Front axle drop forged "I" beam section. Rear axle full floating type. Bower bearings on all wheels; two in each hub.
Brakes—Brake drums mounted on rear hubs and wheels. Service brakes is external contracting, operated by the right foot pedal; and emergency brake is internal expanding, operated by lever at driver's right hand. Brake linkage under spring tension to prevent rattling.
Wheels—Wood artillery type, twelve spokes, second growth hickory.
Rims—Demountable, one extra included in equipment.

SPECIFICATIONS

Frame—Heavy pressed steel channel.
Springs—Front, semi-elliptic. Rear, three-quarter elliptic shackled at both ends. Underslung on rear axle housing and provided with heavy rebound straps to limit action. Lower half 51 inches long. All shackle bolts hardened and fitted with oil cups.
Fenders—High crowned design. Runningboard covered with molded rubber and faced with aluminum.
Steering—Gear and worm one and one-half per cent Chrome nickel steel, forged to shape and made interchangeable and irreversible.
Feed—Vacuum. Special heating facilities to assist in handling lower grade of fuel. Cylindrical gasoline tank hung at rear of chassis.
Windshield—Adjustable.
Lamps—Electric head lamps with dimmers. Tail and cowl lamps.

SPECIFICATIONS

Top—One-man five-bow top; curtains opening with doors.
Instrument Board—Black walnut, equipped with 60-mile, trip and season mileage speedometer; cowl lamp, lighting and ignition switches, carburetor adjustment, clock, ammeter and heat controller.
Wheel Base—112 inches; tread, 56 inches.
Tires—32x4 non-skid on rear.
Bodies—Stream line bodies on both touring and roadster.
Color—Radiator shell, hood and body Brewster green; fenders running board, shields and chassis black.
Equipment—Electric generator, electric starter, lights and horn; one-man top with dust hood and side curtains; wind shield, speedometer, ammeter, eight day clock, moto-meter, gasoline gauge, one extra rim, tire carrier, license brackets and complete tool equipment.
Special Equipment—Hook No. 4, wire wheels furnished as special equipment.

CONSERVATORY NOTES

Three Students' Recitals were given during the past week, the final ones of the Conservatory year. On Wednesday afternoon,

LEMON JUICE FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy the skin becomes. Yes! It is harmless and never irritates. —(adv.)

June 4th, Miss Pires presented her class in a Demonstration Recital, showing the methods and results of the Dunning System of Piano Study in a most interesting program, given entirely by the younger children. On Wednesday evening a number of advanced pupils, from the classes of Mrs. Wilson, Mr. Kritch, Mrs. Bullard, Miss Duncan and Mr. Munger gave a program of Voice, Violin and Piano numbers. Both of these recitals were unusually well attended. On Thursday morning, June 5th, a television, a good program was performed.

At the entertainment given on the Academy Hall campus Saturday afternoon by the Alumnae of the Antheum, Academy and Conservatory, the music for the May Fete dances was furnished by Conservatory students, headed by Miss Helene Sorrells. The Piano part was played by Misses Ellen McCurley and Alice Bray in turn, and the strings were in the hands of Misses Anna Frances Bradley, Eloise Capps, Dorothy Graef, Louise Renner and Helene Sorrells.

At the Baccalaureate service Sunday morning in Westminster church, the organ was in charge of Mrs. E. F. Bullard, who played an introductory march, and Offertory and a Recessional march, as well as the accompaniments. The choir, consisting of nine young ladies, sang under the direction of their

teacher, Mrs. Genevieve Clark Wilson, an arrangement of Mendelssohn's "I Waited for the Lord." The members of the choir were the following: Misses Ruth Melba Armstrong, Lucille Baker, Lorine Dewese, Edna Hackett, Mabel Forrester, Anne Pessel, Catherine Rapp and Doris Shuman. A double quartet, from the violin class of Mr. William E. Kritch, played some selections arranged for eight violins; this double quartet consisted of Misses Marjorie Black, Anna Frances Bradley, Louise Robinson and Mary Winchester. Messrs. Edward Capps, Harold Moses, John Robert Robertson and Hugh Wilson.

Lawn mowers sharpened, called for and delivered 75c. Jacksonville Auto Exchange Co. Call Ill. Phone 1561.

THREE SOLDIERS BACK
J. L. and Orville Petefish and Earl Myers, all of Literberry, have returned from overseas. They went over in May last in Battery A, 124th Field artillery. They were a part of the famous 33d

GRANDMA RHOE'S
MEN-THO-ZE
IS GOOD FOR COLDS
BECAUSE IT CONTAINS GOOSE GREASE AND TURPENTINE
Laboratory Address: MEN-THO-ZE, Fort Dodge, Iowa

For Burning Eczema
Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.
The E. W. Roe Co., Cleveland, O.

division and saw hard service in the Argonne forest, Meuse and other places and at all times made a good record. They are all looking fine and needless to add they are being greeted by a great many friends.

A. J. Sinclair of Ashland was one of the city callers yesterday.

ICE CREAM SOCIAL
There will be an ice cream at strawberry supper at Hebrew church Thursday evening, June 12th. Everyone invited.

L. B. Haynes visited at the home of Rev. Solomon Hart the latter part of the week.

Now is a Good Time to Drive Out Catarrh

It May Not Be Troubling You During the War Weather, But it is Still in Your Blood.

Catarrh is not only a disgusting disease but is a dangerous one, and you should never let up in your efforts to get out of your system until you have done it thoroughly. Get rid of it, whatever it costs you in trouble and money. Mild weather will aid the treatment and this is an excellent time to thoroughly cleanse the blood of the germs of catarrh and be forever rid of the troublesome sprays and douches that can only relieve you for the time.

S. S. S. is a purely vegetable blood remedy, made from roots and herbs direct from the forest, which combat promptly disease

germs or impurities in the blood. This great remedy has been used for more than fifty years, with most satisfactory results. It has been successfully used by those afflicted with even the severest cases of catarrh. It relieves catarrh thoroughly, for it treats the disease at its source. S. S. S. is sold by druggists everywhere. For the benefit of those afflicted with catarrh or other blood disorders, we maintain a medical department in charge of a specialist skilled in these diseases. You will write us fully, we will give your case careful study, and write you just what your own individual case requires. No charge is made for this service. Address: Swift Specific Co., 262 Swift Laboratory, Atlanta, Ga.—Adv.
